

MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING - EVERGREEN PISTOL SET GLOCK ALL MODELS G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING Safety Instruction Guide

Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set for Glock models. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the sight to maximize your safety and performance.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sight.
- Use the Mepro Evergreen™ only with compatible Glock models as specified by the manufacturer.
- Ensure that the sight is securely attached and properly aligned before use.
- Regularly check the sight for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Store the sight in a safe and dry location when not in use.
- Follow all local laws and regulations regarding firearm usage.

Specific Safety Precautions for Use

- The Mepro Evergreen™ is designed for use during both daytime and nighttime operations. Ensure you are familiar with its operation in both lighting conditions.
- Avoid looking directly into the LED light source to prevent eye damage.
- Be aware of your surroundings and ensure that your target is a safe one before firing.
- The sight is not a substitute for proper firearm handling and safety training. Always follow safe firearm practices.
- Do not modify or attempt to disassemble the sight. Unauthorized alterations may compromise safety and performance.
- In case of malfunction, cease use immediately and consult a qualified technician.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded.
- Remove the existing sight from the firearm using appropriate tools.
- Align the Mepro Evergreen™ sight with the mounting base on your Glock.
- Secure the sight using the provided screws or mounting hardware.
- Doublecheck the alignment and ensure that the sight is firmly attached.

2. Usage

- Familiarize yourself with the sight's features and operation before use.
- Adjust the sight as necessary for your shooting preferences.
- Practice target acquisition and shooting with the sight in a safe environment.
- Regularly clean the sight according to the manufacturer's recommendations to maintain optimal performance.

Disposal Instructions

- Dispose of the Mepro Evergreen™ sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.

- If the sight contains any electronic components, ensure that these are recycled according to local electronic waste guidelines.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Mepro Evergreen™ Pistol Set, please refer to the manufacturer's contact information provided with your product.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Mepro Evergreen™ Pistol Set. Always prioritize safety and responsible firearm practices. Thank you for choosing Meprolight.
