

# MEPRO EVERGREEN PISTOL SET H&K 45 - EVERGREEN PISTOL SET H&K 45/P30/VP9/SFP9(NOT VP2020) O RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

# MEPRO EVERGREEN PISTOL SET Safety Instruction Guide

## Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the Mepro Evergreen™.

## General Safety Guidelines

- **Product Safety:** The Mepro Evergreen™ is designed to ensure safe use during both daytime and nighttime operations. Always handle it responsibly.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will receive standardized notices and remedies at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, refer to the provided contact information for assistance.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by adults. Keep it out of reach of children.
- **Proper Handling:** Always handle the firearm with care. Ensure it is unloaded when not in use.
- **Environmental Conditions:** Avoid using the sight in extreme weather conditions that may impair visibility or functionality.
- **Regular Inspections:** Frequently check the sight for any signs of damage or wear. Do not use if damaged.
- **Training:** Ensure that you are properly trained in the use of firearms and sights before using this product.

## Instructions for Installation and Usage

### Installation

1. **Read the Manual:** Before installation, read the manufacturer's manual carefully.
2. **Gather Tools:** Ensure you have the necessary tools for installation, such as screwdrivers and wrenches.
3. **Identify Mounting Points:** Locate the correct mounting points on your firearm for the Mepro Evergreen™.
4. **Securely Attach:** Follow the steps in the manual to securely attach the sight to your firearm. Make sure it is firmly in place.
5. **Check Alignment:** After installation, check the alignment of the sight to ensure optimal performance.

### Usage

1. **Power On:** Activate the LED sight according to the instructions provided in the manual.
2. **Target Acquisition:** Use the illuminated dots for improved target acquisition in various lighting conditions.
3. **Practice Regularly:** Regular practice will enhance your proficiency in using the sight effectively.
4. **Maintain Clear Vision:** Ensure that the lenses are clean and free from obstructions for the best performance.

5. **Follow Local Laws:** Always adhere to local laws and regulations regarding the use of firearms and sights.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local environmental regulations.
- **Hazardous Materials:** The Mepro Evergreen™ does not contain hazardous materials; however, it is essential to follow local guidelines for electronic waste disposal.
- **Recycling:** Consider recycling components where possible to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the Mepro Evergreen™ Pistol Set, please refer to the contact information provided by your retailer or manufacturer. It is essential to reach out for support to ensure safe usage and compliance with all safety standards.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is of utmost importance. Enjoy your Mepro Evergreen™ Pistol Set responsibly!
