

Magazine Polymer - SA - 6 GT - 10 Round - BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDT Detachable AICS box magazines are designed to be compatible with a range of MDT chassis systems, including the MDT TAC21, ACC Premier, ACC Elite, HNT26, ORYX, TIMBR ESS, LSS-XL, XRS, and LSS, as well as numerous other M24-style chassis and bottom metals. These magazines are crafted from high-quality polymer and feature a tempered steel spring for reliable performance.

Our magazines undergo rigorous testing to ensure their quality and durability. We use a high-strength polymer with a significant glass content to enhance their resilience and strength. While they are not indestructible, we've even subjected these magazines to being run over by cars and trucks without breaking them.

MDT Magazine Polymer SA 6 GT 10 Round BLK

Safety Instruction Guide

Introduction

Thank you for choosing the MDT Magazine Polymer SA 6 GT 10 Round BLK. This guide provides essential safety instructions to ensure the safe use and maintenance of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is used only with compatible MDT chassis systems and M24style chassis.
- Always handle the magazine with care to avoid any accidents.
- Keep the magazine out of reach of children and vulnerable individuals.
- Regularly inspect the magazine for any signs of damage or wear.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before loading the magazine, ensure that the firearm is pointed in a safe direction.
- Do not exceed the magazine's 10round capacity.
- Avoid using the magazine if it appears damaged or malfunctioning.
- Do not attempt to modify the magazine in any way.
- Use only the recommended ammunition type for your specific firearm.
- Always follow the manufacturer's instructions while loading and unloading the magazine.

Instructions for Installation and Usage

Installation

1. **Ensure Compatibility:** Verify that your MDT chassis system or M24style chassis is compatible with the MDT Magazine Polymer.
2. **Load the Magazine:**
 - Hold the magazine in one hand.
 - With the other hand, insert rounds into the magazine, ensuring they are seated properly.
 - Do not exceed the 10round capacity.
3. **Insert the Magazine:**
 - Align the magazine with the magazine well of your firearm.
 - Push the magazine firmly into place until you hear a click, indicating it is securely locked.

Usage

- To unload the magazine, remove it from the firearm and carefully push the rounds out from the top.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- Store the magazine in a cool, dry place when not in use to maintain its integrity.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged, do not attempt to repair it. Instead, follow local electronic waste disposal guidelines to ensure safe disposal.
- Recycle the magazine if possible, following the guidelines of your local recycling program.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the official MDT website or contact your local distributor. Ensure that you have the product details ready for assistance.

By following these safety instructions, you can enjoy the reliable performance of your MDT Magazine Polymer SA 6 GT 10 Round BLK while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
