

Metal Magazine 30.06 - 5 Round Metal Magazine 30.06 / 6.5x55

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDTs metal magazine's unique double-stacked single feed (DSSF) system creates a shorter magazine with increased capacity and smooth feeding. This design provides added clearance, reduces snagging, and even trims weight. Enjoy enhanced maneuverability and convenience for a top-notch shooting experience, anywhere you go. Crafted from nitrided steel for durability and corrosion resistance, it can take a beating and still perform flawlessly. With adjustable feedlips ensuring reliable feeding, you'll shoot with unwavering confidence, no matter the conditions. This magazine is built to endure and excel.

Metal Magazine 30.06 Safety Instruction Guide

Introduction

Thank you for choosing the Metal Magazine 30.06. This guide provides essential safety instructions to ensure safe and effective use of your magazine. Please read and understand these instructions before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm.
- Always handle the magazine and ammunition with care.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always keep the magazine unloaded when not in use.
- Do not exceed the magazine's specified capacity of 5 rounds.
- Avoid using the magazine in extreme conditions that may compromise its integrity.
- Be cautious of the magazine's sharp edges when handling.
- If you notice any malfunction or irregularities during use, discontinue use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded before installation.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks securely.

2. Usage

- Load the magazine with no more than 5 rounds.
- Ensure that the feed lips are properly adjusted for reliable feeding.
- Insert the magazine into the firearm and ensure it is securely locked in place.
- When ready to shoot, always aim in a safe direction and follow all firearm safety protocols.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, recycle or dispose of it responsibly.

Contact Information for Further Support

For any questions or concerns regarding the Metal Magazine 30.06, please reach out to your local retailer or manufacturer for assistance. Always ensure you are following the latest safety guidelines and legal requirements.

Thank you for prioritizing safety while using the Metal Magazine 30.06. Enjoy your shooting experience!
