

Peanut - Shooting Bag - Spex Lite 5125 fill

[Home](#)

The Peanut's design, ideal for both front and rear support, provides a stable shooting base on various props and as a versatile rear support bag. Its crushed glass fill ensures durability and performance in all conditions, drying quickly and resisting moisture, rarely needing re-waxing due to its robust construction. The bag's consistent texture provides a reliable rifle rest in any weather. Its long, narrow shape fits snugly into tight spaces on PRS props or barricades, forming a flat, stable platform for shooting.

MDT Peanut Shooting Bag Spex Lite 5125 Fill

Safety Instruction Guide

Introduction

Thank you for choosing the MDT Peanut Shooting Bag Spex Lite 5125 fill. This guide provides important safety instructions and recommendations to ensure safe and effective use of the product. Please read this guide carefully before using the shooting bag.

General Safety Guidelines

- Ensure that the product is used in accordance with the guidelines provided in this manual.
- Always inspect the shooting bag for any signs of damage or wear before use. Do not use a damaged bag.
- Keep the shooting bag out of reach of children and vulnerable individuals when not in use.
- Use the shooting bag in a safe environment, free from obstacles and hazards.
- Always follow local laws and regulations regarding shooting activities.

Specific Safety Precautions for Use

- **Stability:** Ensure that the shooting bag is placed on a stable surface before use. Avoid using it on uneven or unstable ground.
- **Moisture Resistance:** Although the bag is designed to resist moisture, avoid exposing it to excessive water or wet conditions for prolonged periods.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for effective use.
- **Proper Handling:** Use both hands when lifting or moving the shooting bag to prevent injury.
- **Storage:** Store the shooting bag in a cool, dry place when not in use to maintain its durability.

Instructions for Installation and Usage

1. Setting Up the Shooting Bag:

- Choose a suitable location for shooting that is safe and complies with local regulations.
- Ensure that the shooting bag is free from any foreign objects before placing it on the shooting surface.

2. Using the Shooting Bag:

- Position the shooting bag in a stable manner on your chosen prop or barricade.
- For front support, place the rifle on the bag and adjust until you achieve a comfortable shooting position.
- For rear support, position the bag behind the rifle stock and ensure it is stable before taking aim.

3. Maintenance:

- Regularly check the bag for any signs of wear or damage.
- Clean the bag with a damp cloth if necessary. Do not use harsh chemicals or abrasive materials.
- If the bag becomes excessively dirty, refer to the manufacturer's instructions for cleaning.

Disposal Instructions

- When the shooting bag has reached the end of its life cycle, dispose of it in accordance with local waste management regulations.
- Do not incinerate the bag as it may release harmful substances.

- If the bag is no longer usable, consider recycling materials where applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Peanut Shooting Bag Spex Lite 5125 fill, please refer to the manufacturer's contact information provided with the product packaging or visit the official website for further assistance.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience responsibly!
