

Remington FIELD STOCK - MDT Chassis - Field Stock - Rem 700 - LA - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Remington 700 SA Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

With the included sling swivel studs and an M-LOK forend, you have the freedom to mount any accessory necessary to accomplish your mission. Attach a sling and bipod for a successful backcountry hunt, or set up in a blind with an ARCA rail and tripod for precision shooting. AICS magazine compatibility ensures you're always carrying the right amount of ammunition for the task at hand.

Remington FIELD STOCK MDT Chassis Safety Instructions

Introduction

Thank you for choosing the Remington FIELD STOCK MDT Chassis Field Stock for your Rem 700 rifle. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before using your Field Stock.

General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the rifle and ammunition separately and securely to prevent unauthorized access, especially by children.
- Be aware of your surroundings and ensure that you have a clear line of sight to your target.
- Use appropriate eye and ear protection when shooting.
- Regularly inspect your rifle and accessories for any signs of wear or damage.

Specific Safety Precautions for Use

- **Aluminum VBlock Bedding System:** Ensure that the bedding system is properly installed to maintain stability and accuracy. A loose bedding system can lead to misalignment and potential safety hazards.
- **FreeFloating Barrel Design:** Avoid resting the barrel on any surfaces while shooting, as this can affect accuracy and cause potential safety issues.
- **Adjustable Buttstock:** Adjust the buttstock to fit your shoulder comfortably. An improper fit can lead to loss of control while shooting.
- **Sling Swivel Studs:** Ensure that any accessories attached to the sling swivel studs are securely fastened before use to prevent accidental detachment.
- **MLOK Forend:** Only use compatible accessories with the MLOK system. Improperly installed accessories can become loose and pose safety risks.

Instructions for Installation and Usage

1. Installation:

- Carefully follow the manufacturer's instructions for installing the Field Stock onto your Rem 700 rifle.
- Ensure all screws and fasteners are tightened to the recommended torque specifications.
- Verify that the aluminum vblock bedding is securely in place.

2. Usage:

- Adjust the buttstock to your preferred length of pull.
- Check that the sling swivel studs are securely attached before using any slings or accessories.
- Familiarize yourself with the rifle's operation before engaging in shooting activities.
- Practice shooting in a safe environment to ensure comfort and control with the new stock.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the Field Stock, check with local waste management authorities for proper disposal.

disposal methods.

- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Remington FIELD STOCK MDT Chassis, please refer to the manufacturer's website or contact your local dealer for assistance. Always ensure that you are following the latest safety guidelines and product updates.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Remington FIELD STOCK MDT Chassis. Always prioritize safety and responsible handling of your rifle.
