

Full Length Die 1 1/4 - Full Length Die 6,5x68 R

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 1 1/4 Full Length Die 6,5x68 R Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 6,5x68 R. This product is designed to help you size cartridge cases safely and effectively. This safety instruction guide is intended to provide you with essential information regarding the safe use, installation, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of this die by following all safety instructions provided. This product meets the required safety standards for nonfood items.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any recalls related to this product.
- **Online Shopping Safety:** If purchased online, the same safety protections apply as if bought in a physical store. Ensure that the online platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or distributor.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the manual before using the die.
- **Inspect Before Use:** Check the die for any visible damage or defects before use. Do not use if damaged.
- **Wear Protective Gear:** Use safety glasses and gloves when handling the die to protect against potential injury.
- **Keep Work Area Clean:** Ensure that your work area is clean and free from clutter to prevent accidents.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the die.
- **Use Proper Tools:** Ensure you are using compatible tools and equipment with the die for safe operation.
- **Follow Calibration Instructions:** Properly calibrate the die as instructed to ensure safe and effective operation.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the Full Length Die into the press, ensuring it fits snugly.
- Use the lock nut to secure the die in place, ensuring it is properly aligned.

2. Usage:

- Prepare the cartridge case by cleaning and inspecting it for defects.
- Insert the cartridge case into the die, ensuring it is fully seated.
- Operate the press to size the cartridge case. Ensure that the neck of the case is calibrated properly during this process.
- After sizing, remove the cartridge case and inspect it for proper neck tension.

3. Maintenance:

- Regularly clean the die to prevent buildup of residue.
- Check the expander and ejector pin for wear and replace if necessary.
- Store the die in a dry, cool place when not in use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- If the die is no longer usable, consider recycling it if possible.
- Do not dispose of the die in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding the Full Length Die 1 1/4 Full Length Die 6,5x68 R, please refer to the contact information provided by your retailer or distributor. They can assist you with any questions or concerns you may have about the product.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience.
