

Full Length Die 1 1/4 - Full Length Die 7mm Blaser Mag

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for Full Length Die 1 1/4 Full Length Die 7mm Blaser Mag

Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 7mm Blaser Mag. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the die to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the die with care and follow the manufacturer's instructions.
- Keep the die out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about any recalls or safety updates regarding the product.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the die.
- Ensure that the work area is clean, organized, and free from hazards.
- Do not exceed the recommended specifications for the die, including cartridge dimensions.
- Avoid using excessive force when operating the die to prevent injury or damage.
- Keep hands and fingers clear of moving parts during operation.
- Do not modify the die or use it in a manner not specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Full Length Die.
- Secure the die into the reloading press using the lock nut.
- Check that the die is properly aligned and tightened before use.

2. Usage:

- Insert the cartridge case into the die.
- Push the cartridge case fully into the die to initiate sizing.
- The neck of the case will be calibrated from the inside as it is moved out of the die.
- Check the neck tension of the cartridge case to ensure it meets specifications.
- If necessary, replace the expander and ejector pin by following the manufacturer's instructions.

Disposal Instructions

- Dispose of the die responsibly at a designated recycling or waste disposal facility.
- Do not dispose of the die in regular household waste.
- Follow local regulations regarding the disposal of metal and other materials.

Contact Information for Further Support

For further assistance, please refer to the product manual or visit the manufacturer's website. You can find

additional resources, including troubleshooting tips and FAQs, to help you with your Full Length Die.

Thank you for prioritizing safety while using the Full Length Die 1 1/4 Full Length Die 7mm Blaser Mag. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
