

# Bench-Rest Neck Die 1 1/4 - Bench-Rest Neck Die 300 Rem Ultra Mag.

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 1 1/4 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 1 1/4 for your reloading needs. This product is designed to provide the highest precision in seating match bullets, ensuring optimal performance for your rifle. This safety instruction guide is intended to help you use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the workspace is clean and free of any distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Ensure that the die is securely mounted before use to prevent accidents.
- Avoid using the die with incompatible cartridges or bullets.
- Do not exceed the recommended pressure limits for the cartridges you are reloading.
- Always follow safe reloading practices, including proper storage of components and finished ammunition.
- Be aware of the potential hazards, such as lead exposure and the risks associated with handling gunpowder.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, make sure that the workspace is clear and that you are wearing your PPE.
2. **Mounting the Die:**
  - Securely attach the BenchRest Neck Die to your reloading press according to the manufacturer's instructions.
  - Make sure the die is tightened properly to avoid any movement during operation.
3. **Check Alignment:**
  - Verify that the die is aligned with the cartridge chamber to ensure optimal performance.

### Usage

1. **Preparation:**
  - Prepare your cartridge cases by cleaning and inspecting them for damage.
  - Select the appropriate seater head based on the bullet you are using to improve concentricity.
2. **Seating Bullets:**
  - Insert the cartridge case into the die and ensure it is seated correctly.
  - Slowly and steadily operate the press to seat the bullet into the cartridge case.
  - Monitor the process to ensure that the bullet is seated to the correct depth.
3. **PostUse:**
  - After use, clean the die to remove any residue and ensure longevity.

- Store the die in a safe and dry place, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of hazardous materials, such as spent primers or gunpowder, in regular waste. Follow specific guidelines for hazardous waste disposal in your area.

## **Contact Information for Further Support**

For any questions regarding the use or safety of the BenchRest Neck Die, please refer to the manufacturer's manual or contact your local retailer for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the BenchRest Neck Die 1 1/4. Always prioritize safety and adhere to the guidelines provided to protect yourself and others while reloading.
