

# Bench-Rest Neck Die 1 1/2 - Bench-Rest Neck Die 460 Steyr

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 1 1/2 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 1 1/2 for your reloading needs. This product is designed to provide the highest precision in seating match bullets while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the work area is clean, dry, and welllit.
- Keep the product out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die.
- Inspect the die for any damage or wear before each use.
- Follow all local laws and regulations regarding ammunition reloading.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the die can result in personal injury or damage to the firearm.
  - Use only compatible cartridges as specified in the product manual.
- **Avoiding Hazards:**
  - Do not exceed the recommended load specifications.
  - Ensure that the die is securely mounted before use.
  - Never place your hands in front of the die during operation.
  - Keep fingers and loose clothing away from moving parts.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised by a responsible adult when using this product.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the BenchRest Neck Die in a reloading press according to the manufacturer's instructions.
- Check that the die is properly aligned and tightened to prevent movement during use.

### 2. Usage:

- Prepare your cartridge cases by cleaning and resizing them as needed.
- Insert the cartridge case into the die and ensure it is seated correctly.
- Use the guide sleeve to achieve perfect axial guidance during the seating operation.
- Replace the seaterhead if necessary, choosing the correct type for the bullet being used.
- After seating, remove the cartridge case carefully and inspect for proper seating and concentricity.

### 3. PostUse:

- Clean the die after each use to maintain its performance and longevity.
- Store the die in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods for metal and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRest Neck Die 1 1/2, please refer to the product manual for guidance or consult with a knowledgeable professional in reloading.

Please ensure that you follow these safety guidelines to maximize your safety and the effectiveness of the BenchRest Neck Die 1 1/2. Thank you for your attention to these important safety instructions.
