

ACC Premier Gen 2 System - CZ 457 - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

Safety Instruction Guide for ACC Premier Gen 2 System CZ 457 RH

Introduction

Thank you for choosing the ACC Premier Gen 2 System for your CZ 457 rifle. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use; do not use if damaged.
- Always use the product in accordance with the manufacturer's instructions.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that the firearm is unloaded when attaching or detaching the chassis system.
- Do not modify the chassis system or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the recommended weight limits for accessories mounted on the chassis.
- Regularly check the tightness of screws and fittings to ensure stability and safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Placement:** Carefully drop your action into the ACC Premier Gen 2 chassis.
3. **Securing:** Tighten the two screws provided to secure the action in place. Ensure they are firmly tightened but do not overtorque.
4. **Accessory Attachment:** Mount any accessories (bipods, tripods) onto the fulllength integrated ARCA rail as needed.
5. **Final Check:** Inspect the installation to ensure everything is secure and properly positioned before use.

Usage

- Adjust your hand position, cheek weld, and length of pull to ensure a comfortable shooting experience.
- Utilize the wide, thick, and flat forend for improved stability when shooting from barricades or other props.
- Regularly practice safe firearm handling techniques and maintain awareness of your shooting environment.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to your local authorities or the manufacturer's support channels.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ACC Premier Gen 2 System. Thank you for your attention to these important guidelines.
