

Chassis - CRBN Stock - Remington700 RH - MDT Chassis - CRBN Stock - Remington700 - SA - RH - Fixed - ARCA - HOG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

MDT Chassis CRBN Stock Remington700 RH

Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis CRBN Stock for your Remington700. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the chassis to maximize your safety and the performance of your rifle.

General Safety Guidelines

- Ensure safe use of the MDT Chassis by following all safety guidelines outlined in this document.
- Be aware of potential risks associated with using the chassis, including improper handling and installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the chassis and any accessories out of reach of children and vulnerable individuals.
- Regularly check for any recalls or safety alerts related to your product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Before using the MDT Chassis, ensure that it is compatible with your Remington700 model.
- Always wear appropriate eye and ear protection when using firearms.
- Inspect the chassis for any signs of damage or wear before each use. Do not use if damaged.
- Ensure that all components are securely fastened before operation.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Use only accessories and attachments that are specifically designed for the MDT Chassis to prevent accidents and ensure safety.
- Never modify the chassis or use it in a manner not intended by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Read the installation manual included with your MDT Chassis.
- Ensure that your workspace is clean and free from distractions.
- Gather all necessary tools before beginning the installation.
- Align the chassis with the action of the Remington700 and secure it using the provided screws.
- Use the magnesium micro chassis with Vblock bedding to ensure a stable action installation.
- Doublecheck that all screws are tightened to the manufacturer's specifications.

2. Usage:

- Adjust the length of pull using the integrated spacers to fit your shooting style.
- Utilize the adjustable thumb shelf for optimal comfort during use.
- Attach QD slings to the front and rear QD cups as needed for stability.
- Use the ARCA rail and MLOK slots to mount bipods or tripods securely.
- Always practice safe shooting habits, including keeping the muzzle pointed in a safe direction and being aware of your surroundings.

Disposal Instructions

- When disposing of the MDT Chassis, follow local regulations regarding the disposal of carbon fiber materials.

- Ensure that all components are disposed of in an environmentally friendly manner.
- If the product is no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis CRBN Stock, please refer to the manufacturer's website or contact your local dealer for assistance. Always keep your purchase receipt and any warranty information for future reference.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MDT Chassis CRBN Stock for the Remington700. Thank you for prioritizing safety and responsible firearm handling.
