

Chassis - CRBN Hunter Kit - Remington700 RH - MDT Chassis - CRBN Hunter Kit - Remington700 - SA - RH - Fixed - ARCA - HGF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

Safety Instruction Guide for MDT Chassis CRBN Hunter Kit Remington700 RH

Introduction

Thank you for choosing the MDT Chassis CRBN Hunter Kit for your Remington700. This guide is designed to provide essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe usage for all users. Always follow the safety guidelines provided in this document.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies at no cost.
- **Online Shopping Safety:** When purchasing this product online, ensure that the seller meets all safety requirements.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, ensure you have access to the EU-based contact information.
- **Rapid Alerts:** Stay informed about any unsafe product updates through the Safety Gate system.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and above. Ensure that minors do not use this product without adult supervision.
- **Proper Handling:** Always handle the chassis with care to avoid dropping or damaging it.
- **Environmental Considerations:** Avoid using the product in extreme weather conditions that may compromise safety or performance.
- **Inspection Before Use:** Regularly inspect the chassis for any signs of wear or damage. Do not use if any components are compromised.
- **Safe Shooting Practices:** Always follow established shooting safety protocols when using the rifle equipped with this chassis.

Instructions for Installation and Usage

Installation

1. **Read the Manual:** Before beginning installation, ensure you have read and understood all guidelines in this manual.
2. **Gather Tools:** Ensure you have all necessary tools for installation, including screwdrivers and any specific tools recommended by the manufacturer.
3. **Secure the Work Area:** Work in a clean, well-lit area free from distractions.
4. **Install the Chassis:**
 - Remove the existing stock from your Remington700.
 - Align the MDT CRBN Chassis with the action of the rifle.
 - Secure the chassis using the provided screws and ensure all fasteners are tightened according to the specifications.
5. **Check Stability:** After installation, check that the chassis is securely attached and does not wobble.

Usage

1. **Adjusting Length of Pull:** Use spacers to adjust the length of pull to fit your shooting style and comfort.
2. **Using the ARCA Rail:** Attach bipods or tripods securely to the integrated ARCA rail as needed.
3. **MLOK Slots:** Utilize the MLOK slots for additional accessories, ensuring they are mounted securely.

4. **Shooting Position:** Adopt a stable shooting position to maximize accuracy and comfort.
5. **FollowUp Shots:** Practice followup shots to enhance your shooting skills and stability.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations for carbon fiber and other materials.
- **Recycling:** Where possible, recycle components of the chassis to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis CRBN Hunter Kit, please refer to the manufacturer's contact details provided with your product packaging or on their official website.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis CRBN Hunter Kit. Thank you for your attention to safety, and happy shooting!
