Safety Instruction Guide for Pressure Spring for BR Neck and BR Seater

Introduction

Thank you for choosing the Pressure Spring for BR Neck and BR Seater 1 1/2". This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the pressure spring is compatible with your specific BR neck and BR seater model.
- Use protective gear, such as gloves and safety goggles, during installation.
- Avoid using excessive force when installing the pressure spring to prevent injury or damage.
- Do not modify the pressure spring in any way, as this may compromise safety.
- If you experience any unusual sounds or malfunctions during use, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools for installation (e.g., wrench, screwdriver).
- Ensure the workspace is clean and free of hazards.

2. Installation:

- Turn off any equipment that the pressure spring will be installed on.
- Remove the old pressure spring if applicable.
- Carefully align the new pressure spring with the mounting points.
- Secure the pressure spring in place using the appropriate fasteners.
- Doublecheck that all connections are tight and secure.

3. Usage:

- Follow the operational guidelines for your specific equipment to ensure safe use.
- Monitor the pressure spring during operation for any signs of wear or damage.
- If the product requires adjustment, consult the equipment's manual for proper procedures.

Disposal Instructions

- Dispose of the pressure spring in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options where applicable.

Contact Information for Further Support

For any questions or concerns regarding the pressure spring, please refer to the manufacturer's contact information provided with the product. It is important to address any safety inquiries with the manufacturer directly.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
