Pressure Spring for BR Neck and BR Seater

Safety Instruction Guide

Introduction

Thank you for choosing the Pressure Spring for BR Neck and BR Seater. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product. Please read this manual carefully before using the product to avoid any hazards.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified by the manufacturer.
- Inspect the product regularly for any signs of wear or damage. Do not use if damaged.
- Keep this product out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the use and disposal of mechanical springs.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling or installing the spring.
- Do not exceed the specified load limits provided by the manufacturer.
- Avoid using the spring in wet or damp conditions to prevent corrosion.
- Ensure that all tools used during installation are in good condition and suitable for the task.
- Do not modify the product in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools before beginning the installation process.
- Ensure the installation area is clean and free from obstructions.

2. Installation Steps:

- Carefully remove the pressure spring from its packaging.
- Inspect the spring for any visible damage before installation.
- Position the spring in the designated area of the BR neck or BR seater.
- Secure the spring using the appropriate fasteners as per the manufacturer's guidelines.
- Doublecheck that the spring is properly installed and secured before use.

3. Usage:

- Use the product only in conjunction with compatible components as specified by the manufacturer.
- Monitor the performance of the spring during use. If any unusual sounds or movements occur, cease use immediately and inspect the product.

Disposal Instructions

- Dispose of the pressure spring in accordance with local regulations for mechanical waste.
- Do not dispose of the spring in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Pressure Spring for BR Neck and BR Seater, please contact the manufacturer or your local distributor for assistance. They can provide additional guidance and support regarding product safety and compliance with regulations.

Thank you for your attention to these safety instructions. Your safety is our priority.
