Safety Instruction Guide for Pressure Spring for BR Neck and BR Seater 7/8"

Introduction

Thank you for choosing the pressure spring for BR neck and BR seater 7/8". This guide provides essential safety instructions and information to ensure safe usage of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the installation instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not exceed the specified load capacity of the pressure spring.
- Avoid using the product in extreme temperatures or environments that may compromise its integrity.
- Use protective gear when handling the product to prevent injury.
- Ensure that the installation area is clean and free of debris before proceeding.
- Do not attempt to modify or repair the product without professional assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation.
- Ensure that the work area is welllit and organized.

2. Installation Steps

- Carefully read through the installation instructions.
- Align the pressure spring with the designated mounting points on the BR neck and BR seater.
- Secure the spring using the appropriate fasteners, ensuring a tight fit.
- Doublecheck all connections to confirm stability.

3. Usage Instructions

- Once installed, test the pressure spring by applying gradual weight to ensure proper function.
- Monitor the performance of the product during use, looking for any unusual sounds or movements.
- If any issues arise during usage, cease operation and consult a professional.

Disposal Instructions

- Dispose of the pressure spring responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact your local distributor or manufacturer. They will provide you with the necessary support and information regarding the product.

Thank you for your attention to these safety guidelines. Your safety is our priority.
