Field Stock: Precision and Comfort in Every Shot

Upgrade your factory rifle with the Field Stock to achieve enhanced accuracy and control. Its traditional polymer design ensures a comfortable grip, especially in cold weather, so you can stay focused in any conditions. Featuring precision-engineered aluminum V-block bedding, the Field Stock secures the rifle's action for minimal movement during firing, promoting reliable accuracy with every shot. The free-floating barrel and adjustable buttstock add to your precision and comfort, making this stock ideal for extended long-range sessions.

AVAILABLE

Designed for versatility, the Field Stock adapts to all shooting disciplines—from hunting and competition to casual long-range practice. Equipped with an M-LOK forend and sling swivel studs, you have the freedom to mount the accessories you need, whether that's a sling and bipod for a challenging hunt or an ARCA rail and tripod for stable shooting from a blind. With AICS magazine compatibility, you'll always have enough rounds ready for action.

Get the performance boost you need with the Field Stock—crafted to take your shooting experience to the next level.

Safety Instruction Guide for Savage LA FIELD STOCK MDT Field Stock

Introduction

Thank you for choosing the Savage LA FIELD STOCK MDT Field Stock. This guide provides essential safety instructions and guidelines to ensure your safe and enjoyable use of the product. Please read this manual carefully before using the stock.

General Safety Guidelines

- Always treat your rifle and accessories as if they are loaded and ready to fire.
- Ensure that the stock is properly installed and securely attached to the rifle before use.
- Always check for any signs of wear or damage before each use. If any issues are found, do not use the stock until it has been repaired or replaced.
- Keep the stock and rifle out of reach of children and unauthorized users.
- Use the stock only for its intended purpose and in accordance with the manufacturer's instructions.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

Specific Safety Precautions for Use

- When using the stock in cold weather, ensure that your hands are dry and warm to maintain a proper grip.
- Avoid using the stock in conditions where visibility is poor or where there are potential hazards in the shooting area.
- Always wear appropriate safety gear, including eye and ear protection, when using the rifle.
- Do not modify the stock or its components in any way, as this may compromise safety and performance.
- Ensure that the rifle is pointed in a safe direction at all times, especially when loading or unloading.

Instructions for Installation and Usage

1. Installation of the Field Stock:

- Begin by ensuring that your rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from your rifle according to the manufacturer's instructions.
- Align the Field Stock with the rifle's action and carefully attach it using the provided hardware.
- Tighten all screws and bolts securely, ensuring that the stock is firmly attached to the rifle.

2. Adjusting the Buttstock:

- Adjust the length of pull by loosening the adjustment screw located on the buttstock.
- Slide the buttstock to the desired length and retighten the screw to secure it in place.

3. Using the MLOK Forend:

- Attach any accessories, such as a bipod or sling, to the MLOK slots on the forend.
- Ensure that all accessories are securely fastened before use.

4. FreeFloating Barrel:

- Ensure that the barrel is freefloating and does not make contact with the stock during firing for optimal accuracy.

5. AICS Magazine Compatibility:

- Load the AICS magazine with the appropriate ammunition.
- Insert the magazine into the stock until it clicks into place.

Disposal Instructions

- Dispose of the stock and any components responsibly. Follow local regulations for the disposal of firearms accessories.
- Do not dispose of the stock in regular household waste. Check for recycling options or designated disposal sites for firearms accessories.

Contact Information for Further Support

For any safety inquiries or assistance regarding the Savage LA FIELD STOCK MDT Field Stock, please reach out to the manufacturer or an authorized dealer. It is recommended to keep this manual for future reference.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Savage LA FIELD STOCK MDT Field Stock. Always prioritize safety and responsibility in all your shooting activities. Enjoy your time at the range or in the field!
