## Field Stock: Precision and Comfort in Every Shot

Upgrade your factory rifle with the Field Stock to achieve enhanced accuracy and control. Its traditional polymer design ensures a comfortable grip, especially in cold weather, so you can stay focused in any conditions. Featuring precision-engineered aluminum V-block bedding, the Field Stock secures the rifle's action for minimal movement during firing, promoting reliable accuracy with every shot. The free-floating barrel and adjustable buttstock add to your precision and comfort, making this stock ideal for extended long-range sessions.

Designed for versatility, the Field Stock adapts to all shooting disciplines—from hunting and competition to casual long-range practice. Equipped with an M-LOK forend and sling swivel studs, you have the freedom to mount the accessories you need, whether that's a sling and bipod for a challenging hunt or an ARCA rail and tripod for stable shooting from a blind. With AICS magazine compatibility, you'll always have enough rounds ready for action.

Get the performance boost you need with the Field Stock—crafted to take your shooting experience to the next level.

# Safety Instruction Guide for Winchester XPR SA FIELD STOCK MDT Field Stock

## Introduction

Thank you for choosing the Winchester XPR SA FIELD STOCK MDT Field Stock. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before use and keep it for future reference.

## General Safety Guidelines

- Always treat your rifle as if it is loaded, even if you believe it is not.
- Keep the rifle pointed in a safe direction at all times.
- Ensure that the safety mechanism is engaged until you are ready to shoot.
- Store the rifle and ammunition separately and securely, out of reach of children.
- Be aware of your surroundings and ensure a clear shooting area before firing.
- Regularly inspect your rifle and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Before installing the Field Stock, ensure that the rifle is unloaded and the action is open.
- Check for any obstructions in the barrel before firing.
- Use only AICS-compatible magazines as specified to ensure proper function.
- Avoid using the rifle in extreme weather conditions without proper precautions.
- Do not modify the Field Stock or any of its components, as this may compromise safety and performance.
- If you experience any malfunctions during use, cease firing immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure the rifle is unloaded and the action is open.
- Gather required tools: a screwdriver and any other necessary equipment for your specific rifle model.

#### 2. Removing the Factory Stock

- Locate the screws securing the factory stock to the rifle action.
- Carefully remove the screws and detach the factory stock from the action.

#### 3. Installing the Field Stock

- Align the rifle action with the Field Stock.
- Secure the action in place using the provided screws, ensuring they are tightened appropriately.
- Confirm that the stock is firmly attached and that there is no movement.

#### 4. Final Checks

- Inspect the installation to ensure everything is secure.
- Ensure that the adjustable buttstock is set to your preferred length.

## Usage

- When using the Field Stock, maintain a proper shooting stance for stability.
- Utilize the adjustable buttstock to achieve a comfortable and secure fit against your shoulder.
- Attach any necessary accessories, such as bipods or slings, to the MLOK forend and sling swivel studs.
- Always perform a function check before shooting to ensure the rifle operates correctly.

## Disposal Instructions

- Dispose of the Field Stock in accordance with local regulations regarding the disposal of firearms and accessories.
- Do not dispose of the Field Stock in general waste.
- Consider recycling components where possible, especially metal parts.

## Contact Information for Further Support

For any questions or concerns regarding the Winchester XPR SA FIELD STOCK MDT Field Stock, please consult your local retailer or manufacturer. Always ensure you have access to reliable support for any safety inquiries.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable shooting experience with your Winchester XPR SA FIELD STOCK MDT Field Stock. Thank you for your attention to safety.
