Field Stock: Precision and Comfort in Every Shot

Upgrade your factory rifle with the Field Stock to achieve enhanced accuracy and control. Its traditional polymer design ensures a comfortable grip, especially in cold weather, so you can stay focused in any conditions. Featuring precision-engineered aluminum V-block bedding, the Field Stock secures the rifle's action for minimal movement during firing, promoting reliable accuracy with every shot. The free-floating barrel and adjustable buttstock add to your precision and comfort, making this stock ideal for extended long-range sessions.

Designed for versatility, the Field Stock adapts to all shooting disciplines—from hunting and competition to casual long-range practice. Equipped with an M-LOK forend and sling swivel studs, you have the freedom to mount the accessories you need, whether that's a sling and bipod for a challenging hunt or an ARCA rail and tripod for stable shooting from a blind. With AICS magazine compatibility, you'll always have enough rounds ready for action.

Get the performance boost you need with the Field Stock—crafted to take your shooting experience to the next level.

Winchester XPR SA FIELD STOCK Safety Instruction Guide

Introduction

Thank you for choosing the Winchester XPR SA FIELD STOCK. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle stock. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always handle the rifle and stock with care. Treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your rifle.
- Keep the stock and rifle out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when using your rifle.
- Be aware of your surroundings and ensure a clear line of sight when shooting.
- Regularly inspect the stock and rifle for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the stock is securely attached to the rifle before use to prevent any accidents.
- Do not modify the stock or rifle in any way that could compromise safety or functionality.
- Be cautious when using accessories mounted on the stock, such as bipods or slings. Ensure they are securely attached.
- Avoid using the stock in extreme weather conditions that could affect performance and safety.
- Follow all local laws and regulations regarding firearm use and safety.

Instructions for Installation and Usage

Installation

1. **Prepare the Rifle:** Ensure the rifle is unloaded and in a safe condition.
2. **Remove the Factory Stock:** Use the appropriate tools to detach the factory stock from the rifle.
3. **Attach the Field Stock:**
 - Align the Field Stock with the rifle's action.
 - Securely fasten the stock using the provided screws and tools.
 - Doublecheck that the stock is firmly attached and does not move.
4. **Adjust the Buttstock:** If applicable, adjust the buttstock to your preferred length for comfort and stability.

Usage

- Always ensure the safety is engaged when not in use.
- Practice proper shooting techniques to maximize accuracy and safety.
- Use the adjustable features of the stock to enhance your comfort during shooting.
- Regularly check the stability of the stock and the attachment points during use.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged or no longer usable, contact your local waste management authorities for guidance on safe disposal.

- Do not dispose of the stock in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Winchester XPR SA FIELD STOCK, please reach out to your local dealer or the manufacturer's customer service for assistance. Ensure you have your product details ready for a more efficient response.

By following these guidelines, you can ensure a safe and enjoyable experience with your Winchester XPR SA FIELD STOCK. Thank you for your attention to safety.
