

Chassis System XRS HOWA 1500 LA RH BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT XRS Chassis System is designed for shooters seeking the traditional feel of a rifle stock with the cutting-edge advantages of a modern precision chassis. Combining classic ergonomics with advanced functionality, the XRS is the ultimate crossover stock for hunting, target shooting, or competition.

1. **Precision-Engineered Core:** Constructed from a full-length CNC-machined 6061 aircraft-grade aluminum core, the XRS maximizes strength and rigidity for enhanced accuracy.
2. **Durable Polymer Panels:** High-strength, textured polymer panels provide insulation from the elements, ensuring comfortable operation in any environment.
3. **Adjustable Ergonomics:** Featuring adjustable length of pull (13.25" to 15+") and a quick-adjust cheek piece, the XRS allows for a custom fit tailored to your scope and shooting style.
4. **Interchangeable Grips:** Includes both an angled grip and a vertical grip, allowing shooters to easily achieve ideal hand placement and trigger pull.
5. **Accessory-Ready Forend:** A generous 12" forend with integrated M-LOK slots supports the addition of ARCA or Picatinny rails, bipods, and other accessories, making the chassis highly versatile. AICS Magazine Compatibility Accepts standard AICS-pattern magazines with an ambidextrous latch for easy operation.
6. **Customizable Performance:** Configure your XRS with optional MDT accessories, such as the Enclosed Forend, Forend Weight, and Buttstock Spacer Weight, to suit any discipline or shooting scenario.

Weighing just 1.7kg (depending on inlet), the MDT XRS Chassis System is the ideal upgrade for factory rifles or the foundation for custom builds. With its fusion of traditional rifle stock ergonomics and modern precision features, the XRS delivers unparalleled performance for hunting, plinking, or the competition stage. Experience the ultimate in adaptability, durability, and precision with the MDT XRS Chassis System.

Safety Instruction Guide for MDT Chassis System XRS HOWA 1500 LA RH

Introduction

Thank you for choosing the MDT Chassis System XRS HOWA 1500 LA RH. This guide provides essential safety information and instructions to ensure the safe use of your product. Please read this guide carefully before using the chassis system.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a rifle chassis system.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm use.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear, including eye protection, when using firearms.
- **Check Compatibility:** Ensure that your rifle and any accessories are compatible with the MDT Chassis System to avoid malfunctions.
- **Secure Mounting:** Make sure all components are securely mounted and tightened before use to prevent accidents.
- **Avoid Modifications:** Do not modify the chassis system or its components, as this may compromise safety and performance.
- **Be Aware of Your Environment:** Always be conscious of your surroundings when using firearms, ensuring a safe shooting area.

Instructions for Installation and Usage

1. Installation:

- Carefully read the manufacturer's instructions before starting the installation process.
- Ensure you have all necessary tools and components for installation.
- Remove the existing stock from your HOWA 1500 rifle.
- Align the rifle action with the MDT Chassis System and secure it using the provided screws.
- Attach the forend and ensure it is properly aligned with the action.
- Install the adjustable cheek piece and grips according to your preference.
- Doublecheck all screws and fittings to ensure they are tight and secure.

2. Usage:

- Adjust the length of pull and cheek piece to fit your shooting style and comfort.
- Test the stability of the chassis system before firing.
- Use the interchangeable grips to find the best hand placement for your shooting technique.
- When using accessories, ensure they are properly attached and do not interfere with the operation of the chassis system.

Disposal Instructions

- Follow local regulations for the disposal of aluminum and polymer materials.
- Do not dispose of the chassis system in household waste. Instead, recycle materials whenever possible.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information included with your product packaging. Ensure you have your product details ready when contacting support.

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of your MDT Chassis System XRS HOWA 1500 LA RH. Thank you for your attention to safety, and enjoy your shooting experience!
