

# Chassis System XRS HOWA 1500 LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT XRS Chassis System is designed for shooters seeking the traditional feel of a rifle stock with the cutting-edge advantages of a modern precision chassis. Combining classic ergonomics with advanced functionality, the XRS is the ultimate crossover stock for hunting, target shooting, or competition.

1. **Precision-Engineered Core:** Constructed from a full-length CNC-machined 6061 aircraft-grade aluminum core, the XRS maximizes strength and rigidity for enhanced accuracy.
2. **Durable Polymer Panels:** High-strength, textured polymer panels provide insulation from the elements, ensuring comfortable operation in any environment.
3. **Adjustable Ergonomics:** Featuring adjustable length of pull (13.25" to 15+" ) and a quick-adjust cheek piece, the XRS allows for a custom fit tailored to your scope and shooting style.
4. **Interchangeable Grips:** Includes both an angled grip and a vertical grip, allowing shooters to easily achieve ideal hand placement and trigger pull.
5. **Accessory-Ready Forend:** A generous 12" forend with integrated M-LOK slots supports the addition of ARCA or Picatinny rails, bipods, and other accessories, making the chassis highly versatile. AICS Magazine Compatibility Accepts standard AICS-pattern magazines with an ambidextrous latch for easy operation.
6. **Customizable Performance:** Configure your XRS with optional MDT accessories, such as the Enclosed Forend, Forend Weight, and Buttstock Spacer Weight, to suit any discipline or shooting scenario.

Weighing just 1.7kg (depending on inlet), the MDT XRS Chassis System is the ideal upgrade for factory rifles or the foundation for custom builds. With its fusion of traditional rifle stock ergonomics and modern precision features, the XRS delivers unparalleled performance for hunting, plinking, or the competition stage. Experience the ultimate in adaptability, durability, and precision with the MDT XRS Chassis System.

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT XRS Chassis System for your HOWA 1500 LA RH rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the chassis system.

### General Safety Guidelines

- **Product Safety:** Always ensure safe use of the MDT XRS Chassis System. This product has been designed to meet the safety standards required for nonfood products under the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the product. Regularly check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored securely and out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on unsafe products.

### Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this safety instruction guide before using the chassis system.
- **Inspect Before Use:** Regularly check the chassis for any signs of damage or wear. Do not use if any parts are compromised.
- **Proper Handling:** Always handle the chassis system with care. Avoid dropping or mishandling to prevent damage.
- **Secure Fit:** Ensure that the chassis is properly fitted to your rifle to avoid any accidents during use.
- **Use Appropriate Ammunition:** Only use ammunition that is compatible with your rifle and the MDT XRS Chassis System.
- **Shooting Range Safety:** Always adhere to shooting range safety protocols. Maintain a safe distance from others while using the chassis system.
- **Avoid Modifications:** Do not modify the chassis system in any way that could affect its safety or performance.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction before installation.
- Remove the factory stock from the rifle.
- Align the MDT XRS Chassis System with the rifle's action.
- Secure the chassis using the provided screws and tools, ensuring a tight fit.
- Check for any movement or instability before proceeding.

#### 2. Usage:

- Adjust the length of pull to your preference (13.25" to 15+" ) using the adjustment mechanism.

- Adjust the cheek piece for optimal comfort and alignment with your scope.
- Choose your preferred grip (angled or vertical) and attach it securely.
- Ensure that any accessories (bipods, rails) are properly mounted and secured to the forend.
- Before shooting, conduct a final check to ensure all components are secure and functioning correctly.

## Disposal Instructions

- **Responsible Disposal:** When disposing of the MDT XRS Chassis System, follow local regulations for electronic and metal waste.
- **Recycling:** If possible, recycle components made from aluminum and polymer materials.
- **Environmental Considerations:** Do not dispose of the chassis in regular household waste. Seek out designated recycling centers.

## Contact Information for Further Support

For any questions or concerns regarding the MDT XRS Chassis System, please refer to the contact information provided by your retailer or manufacturer. Ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT XRS Chassis System. Thank you for choosing our product, and happy shooting!
