

SM Scope Mount SCH38 - SM30 Scope Mount ø30mm SCH38-SM30

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

1. Perfect for 30 mm scope tubes
2. Compatible with all Picatinny/Weaver rails
3. Professional-grade mount for the highest demands
4. Quick and easy installation & removal with lever locks
5. Optional Picatinny rail attachment on the clamping ring and 45° offset
6. Tool-free repeatability and precision
7. High-strength, hard-anodized aluminum with a matte black finish
8. Meets NATO standard 4694 specifications

The Schmeisser SM Quick-Detach Offset Mount offers a robust yet versatile connection between your optics and firearm. This one-piece mount is designed for scopes with a 30 mm tube diameter and fits seamlessly onto all Picatinny or Weaver rails. The quick-detach levers allow for rapid installation and removal without the need for tools, ensuring convenience and precision every time.

The mount features an optional Picatinny rail attachment that can be secured on one of the clamping rings or mounted at a 45° offset on either side. This flexible Picatinny rail enables the additional use of reflex sights for enhanced adaptability.

Boasting a construction height of 19 mm and secured with twelve M4x10 screws, the Schmeisser SM mount delivers exceptional stability. Crafted from high-strength, hard-anodized aluminum in a sleek matte black finish, it adheres to NATO standard 4694, ensuring reliability and durability.

Developed in Germany, this mount embodies exceptional quality and precision, meeting the rigorous demands of professionals and enthusiasts alike.

Safety Instruction Guide for SM Scope Mount SCH38 SM30

Introduction

Thank you for your purchase of the SM Scope Mount SCH38 SM30. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the scope mount for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify or alter the scope mount in any way.
- If you notice any malfunction or defect, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the scope mount.
- Use the scope mount only with compatible 30 mm scope tubes.
- Ensure that the mount is securely attached to the Picatinny or Weaver rail before use.
- Avoid using excessive force when tightening screws to prevent damage.
- Be aware of your surroundings and ensure a safe shooting environment when using the mounted scope.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and in a safe position.
2. **Positioning the Scope:** Align the SM Scope Mount with the desired position on the Picatinny or Weaver rail.
3. **Attaching the Mount:**
 - Use the provided twelve M4x10 screws to secure the mount to the rail.
 - Tighten screws evenly to avoid misalignment.
4. **Adjusting the Scope:** If using the optional Picatinny rail attachment, secure it on one of the clamping rings or at a 45° offset as needed.

Usage

- After installation, check that the mount is securely fixed and that the scope is properly aligned.
- Make adjustments to the scope as needed for optimal performance.
- Always follow safe firearm handling practices when using the mounted scope.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and aluminum waste.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or assistance, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can ensure the safe and effective use of your SM Scope Mount SCH38 SM30.
Thank you for prioritizing safety.
