MDT HNT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the MDT HNT Chassis HNT26 MED RH Folding ARCA CKG. This product is designed specifically for hunting, combining lightweight materials with advanced engineering to enhance your shooting experience. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the chassis before each use to ensure it is in good condition and free from defects.
- Use the chassis only with compatible firearms and accessories.
- Keep the chassis and all related components out of the reach of children and unauthorized users.
- Store the chassis in a secure location when not in use.
- Follow all local laws and regulations regarding the use of firearms and hunting equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the chassis is properly assembled before use. Refer to the installation instructions in the following section.
- Do not attempt to modify or alter the chassis in any way. Unauthorized modifications may compromise safety.
- Always wear appropriate protective gear, including eye and ear protection, while using the chassis.
- Check the compatibility of the chassis with your firearm to prevent malfunctions or accidents.
- Do not exceed the manufacturer's recommended weight limits for attachments and accessories on the chassis.
- Be aware of your surroundings and ensure a safe shooting environment when using the chassis.

Instructions for Installation and Usage

Installation Instructions

1. **Unpack the Components:**

- Carefully remove the chassis, buttstock, forend, and grip from the packaging.
- Inspect each component for any signs of damage.

2. **Assemble the Chassis:**

- Attach the buttstock to the chassis base using the provided screws.
- Secure the forend to the chassis, ensuring it is firmly in place.
- Attach the grip to the chassis, aligning it properly for a secure fit.

3. **Check the Assembly:**

- Ensure all components are tightly secured and that there are no loose parts.
- Perform a visual inspection to confirm proper assembly.

Usage Instructions

1. **Mount Your Firearm:**

- Carefully mount your compatible firearm onto the chassis following the manufacturer's guidelines.
- Ensure that the firearm is securely attached to the chassis.

2. Adjust for Comfort:

- Adjust the buttstock and grip to fit your personal preferences for comfort and stability.
- Make sure all adjustments are locked in place before use.

3. Firearm Safety:

- Always treat your firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Only load the firearm when you are ready to shoot.

Disposal Instructions

- Dispose of the MDT HNT Chassis and its components in accordance with local regulations.
- Do not dispose of the chassis in household waste. Check for designated recycling centers or hazardous waste disposal options in your area.
- Remove any batteries or electronic components before disposal, if applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT HNT Chassis, please refer to the manufacturer's website or customer service resources for assistance. Ensure that you have your product details ready for efficient support.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT HNT Chassis. Always prioritize safety and responsible handling of your equipment.
