LSS Gen3 LA MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the LSS Gen3 LA MDT Chassis for your Remington 700 rifle. This product is designed to provide a solid foundation for your precision rifle build. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about product safety, usage, installation, and disposal.

General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that the chassis is compatible with your specific firearm model.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Store all components in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Use only compatible forends, buttstock interfaces, and accessories as specified by the manufacturer.
- Do not exceed the manufacturer's recommended weight limit for attachments.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Always wear appropriate eye and ear protection when using your firearm.
- If you experience any malfunction or unusual performance, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components for installation.
- Ensure you are in a clean, welllit workspace.

2. Installation Steps

- Remove the existing stock from your Remington 700 rifle.
- Align the LSS Gen3 chassis with the rifle's action, ensuring proper fit.
- Secure the chassis using the provided screws and tools. Ensure all screws are tightened to the manufacturer's specifications.
- Attach your chosen forend, buttstock interface, buttstock, and grip as per the manufacturer's instructions.
- Doublecheck all connections and ensure stability before use.

3. Usage

- Familiarize yourself with the operation of your rifle and the new chassis setup.
- Conduct a test firing in a controlled environment to ensure functionality.
- Adjust components as necessary to suit your shooting style and preferences.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling options for aluminum materials.
- Ensure that any unused or damaged components are securely stored or disposed of to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to your local dealer or the manufacturer directly. Always refer to the official website for the most current information and updates.

By following these guidelines, you can ensure a safe and enjoyable experience with your LSS Gen3 LA MDT Chassis. Thank you for prioritizing safety in your shooting activities.
