

Bipod - Back Country - Picatinny - Black

Designed for those who count every ounce, the MDT Backcountry Bipod delivers exactly what matters: lightweight build, uncompromising stability, and no-nonsense reliability.

It shares its DNA with the MDT Mountain Bipod but trims down to the bare essentials—skipping leg splay and advanced adjustments in favour of a more compact design, lower weight, and a friendlier price tag. When every gram counts, and every mile matters, this is the bipod you pack.

Forget the extras. Keep only what you need for demanding mountain hunts. The MDT Backcountry Bipod offers stable shooting support without adding bulk—so you can go farther, stay longer, and carry what really counts.

MDT Backcountry Bipod Safety Instruction Guide

Introduction

Thank you for choosing the MDT Backcountry Bipod. This guide provides important safety instructions and usage information to ensure your experience with the product is safe and enjoyable. Please read this guide carefully before using the bipod.

General Safety Guidelines

- Ensure that the bipod is used in accordance with the manufacturer's instructions.
- Always inspect the bipod for any damage or wear before each use.
- Keep the bipod out of reach of children and vulnerable individuals.
- Use the bipod only for its intended purpose: providing stable support for firearms during shooting activities.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer.
- Ensure that the bipod is securely attached to the firearm before use.
- Avoid using the bipod on unstable or uneven surfaces.
- Be cautious when adjusting the bipod legs to prevent pinching or injury.
- Always maintain a safe shooting position when using the bipod.
- Do not leave the bipod unattended when in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before attaching the bipod.
- Align the bipod's Picatinny mount with the corresponding rail on your firearm.
- Securely fasten the bipod to the rail, ensuring it is tightly locked in place.
- Check that the bipod is firmly attached by gently pulling on it.

2. Usage:

- Set the bipod legs to the desired length by pressing the release buttons and extending or retracting the legs.
- Ensure that the bipod is stable and level before placing the firearm on it.
- Position the firearm securely on the bipod, ensuring that it is balanced.
- When finished, carefully remove the firearm from the bipod and retract the legs for storage.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- If the bipod is no longer usable, consider recycling the aluminum material where possible.
- Do not dispose of the bipod in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Backcountry Bipod, please reach out to the manufacturer directly through the provided contact channels.

Thank you for prioritizing safety while using the MDT Backcountry Bipod. Enjoy your outdoor adventures!
