

LSS Gen3 Kit CZ 457 - MDT Chassis - LSS Gen3 System - CZ 457 - RH - Worker - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

Safety Instruction Guide for LSS Gen3 Kit CZ 457 MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit CZ 457 MDT Chassis. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read and understand these guidelines before using the chassis.

General Safety Guidelines

- **Product Safety:** Ensure that the chassis is used according to the instructions provided. This product is designed for nonfood use and adheres to EU safety regulations.
- **Enhanced Recalls:** Stay informed about any potential recalls. In case of a recall, you will be provided with standardized notices and remedies at no cost.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements, similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when using the product around children or vulnerable individuals. Ensure that they are supervised at all times.
- **EU Contact Point:** For any safety inquiries or concerns, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides updates on unsafe products. Regularly check for alerts regarding your product.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for users aged 18 and older. Ensure that younger individuals are not allowed to handle the chassis without adult supervision.
- **Use in Safe Environments:** Only use the chassis in safe and appropriate environments. Avoid using it in crowded or unstable areas.
- **Regular Inspections:** Before each use, inspect the chassis for any signs of damage or wear. Do not use if any components are compromised.
- **Proper Handling:** Always handle the chassis with care. Avoid dropping or throwing it, as this can cause damage and affect performance.
- **Secure Storage:** Store the chassis in a secure location away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all components included in the kit before starting the installation.
- Follow the manufacturer's instructions carefully to assemble the chassis.
- Use appropriate tools as specified in the installation guide.
- Check all screws and fittings to ensure they are securely tightened.

2. Usage:

- Familiarize yourself with the chassis features and functionalities before use.
- Always maintain a firm grip on the chassis when in use.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the chassis for shooting or other activities.
- Ensure that the chassis is properly secured to the rifle before use.

3. **Safety Features:**

- Make use of the AICS mag compatibility and MLOK accessory slots as intended.
- Ensure that the polymer side panels are properly installed and secure.

Disposal Instructions

- **Disposal of Components:** When disposing of the chassis or its components, follow local regulations for disposal of aluminum and plastic materials.
- **Environmental Considerations:** Do not dispose of the chassis in regular household waste. Instead, take it to a designated recycling facility to ensure proper handling of materials.

Contact Information for Further Support

For any inquiries, concerns, or assistance regarding the LSS Gen3 Kit CZ 457 MDT Chassis, please refer to the appropriate contact points provided during the purchase or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit CZ 457 MDT Chassis. Thank you for your attention to safety.
