

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Howa 1500 - SA - RH - Competitor - BLK

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this guide carefully before use to maximize your safety and the performance of your rifle.

General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure the safety mechanism is engaged until you are ready to shoot.
- Store the rifle and ammunition separately in a secure location.
- Regularly inspect your rifle and chassis for any signs of wear or damage.
- Use only compatible accessories and components as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Modular Components:** Ensure that all components are securely attached before use. Loose parts can affect performance and safety.
- **Weight Distribution:** When adding weights or accessories, ensure they are evenly distributed to maintain balance and control.
- **Installation of Accessories:** Follow the manufacturer's instructions when installing accessories to avoid improper fitting that could lead to malfunctions.
- **Handling:** Always handle the rifle with care and avoid placing your finger on the trigger until you are ready to shoot.
- **Child Safety:** Keep the rifle and all components out of the reach of children and unauthorized users.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the LSS Gen3 Kit from the packaging. Check for any visible damage or missing parts.
2. **Assembly:**
 - Attach the chassis to the Howa 1500 action according to the manufacturer's guidelines.
 - Ensure that all screws and fasteners are tightened securely.
 - Install the grip and stock as per the instructions provided in the kit.
3. **Accessory Installation:**
 - If adding weights or accessories, ensure they are compatible with the chassis.
 - Follow the installation instructions provided for each accessory.
4. **PreUse Check:**
 - Before using the rifle, conduct a thorough inspection to ensure that all components are fitted correctly and securely.
 - Check the function of the safety and ensure it operates correctly.
5. **Usage:**
 - Always wear appropriate eye and ear protection when using the rifle.
 - Follow proper shooting techniques and guidelines to ensure safety during use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the chassis or any components, check with local waste management authorities for proper disposal methods.
- Do not dispose of the chassis in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the LSS Gen3 Kit SA MDT Chassis, please refer to the manufacturer's website or contact their customer support. Ensure that you have your product details ready for efficient assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Always prioritize safety and responsible firearm handling.
