

# LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Howa 1500 - LA - RH - Worker - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

# Safety Instruction Guide for LSS Gen3 Kit LA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis. This product is designed to provide reliability, portability, and simplicity for various shooting activities. To ensure your safety and the optimal performance of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle the chassis and firearm with care and respect.
- Ensure that the product is used only for its intended purpose.
- Store the chassis in a safe place, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and storage of firearms and related accessories.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Check the EU's Safety Gate platform for any recall updates related to this product.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limits for accessories and attachments.
- Ensure that all components are securely attached before use.
- Avoid using the chassis in extreme temperatures or weather conditions that could affect performance.
- Always wear appropriate safety gear, including eye and ear protection, when using the chassis with a firearm.
- Be aware of your surroundings and ensure a clear shooting area before firing.
- Never point the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure that the firearm is unloaded and safe before beginning installation.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the action of the firearm with the chassis and secure it using the provided screws and tools.
- Check that the action is firmly attached and that there is no movement.

### 2. Adjusting the Buttstock:

- Adjust the buttstock to the desired length for comfort and control.
- Ensure that the adjustment mechanism is locked in place before use.

### 3. Attaching Accessories:

- Use AICS-compatible magazines and ensure they are seated properly.
- Attach any accessories to the MLOK slots, ensuring they are secure and do not obstruct the operation of the chassis.

### 4. Using the Chassis:

- Carry the chassis using the designated grip points for balance and comfort.
- When ready to shoot, ensure that the firearm is pointed in a safe direction and that the safety is

engaged until ready to fire.

#### 5. **PostUse Care:**

- Clean the chassis and firearm after use, following the manufacturer's guidelines for maintenance.
- Store the chassis in a dry and secure location.

## **Disposal Instructions**

- Dispose of the chassis and any associated materials in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Instead, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries related to safety and product support, please refer to the manufacturer's website or customer service. Ensure you have the product details available for efficient support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis. Thank you for your attention to these guidelines.
