

# Marlin Lever Quick Takedown Screw 44 Mag - Marlin 44 Mag Lever Takedown Screw (black)

## [Shooting Accessories](#)

Material: Made from durable 4140 chromoly steel with a black nitride finish for excellent corrosion resistance.

### Features:

Easy Disassembly: Quick-release lever screws allow fast removal of the lever—perfect for thorough cleaning and maintenance.

Flexibility: Quickly swap the standard lever for an oversized loop lever, ideal for Cowboy Action Shooting or shooting with gloves.

Non-Slip Grip: Six-point head design and oversized diameter provide a secure hold during installation and removal.

Compatibility: Fits Marlin models (excluding the Model 39A) that use the proprietary .210-28 Marlin thread.

Includes O-Ring: Prevents the screw from loosening unintentionally during use.

# Marlin Lever Quick Takedown Screw Safety Instructions

## Introduction

Thank you for choosing the Marlin Lever Quick Takedown Screw for your Marlin 44 Mag Lever action firearm. This guide provides essential safety information, installation instructions, and maintenance tips to ensure the safe and effective use of this product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure that the firearm is unloaded before attempting to install or remove the takedown screw.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the takedown screw for signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only the Marlin Lever Quick Takedown Screw designed for the Marlin models that use the proprietary .21028 Marlin thread.
- Do not attempt to modify the screw or use it for purposes other than intended.
- Ensure that the Oring is properly installed to prevent the screw from loosening unintentionally during use.
- When swapping levers, ensure that the firearm is in a safe and secure position to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver suitable for the sixpoint head design.

### 2. Installation:

- Locate the lever on your Marlin 44 Mag firearm.
- Remove the existing lever screw by turning it counterclockwise with your screwdriver.
- Carefully place the Marlin Lever Quick Takedown Screw into the lever assembly.
- Tighten the screw by turning it clockwise until secure, but do not overtighten.

### 3. Usage:

- To disassemble the lever, simply turn the takedown screw counterclockwise until it releases.
- If swapping levers, follow the same installation instructions for the new lever.

### 4. Maintenance:

- Regularly clean the screw and surrounding area to prevent corrosion.
- Inspect the screw for wear and replace if necessary.

## Disposal Instructions

- Dispose of the Marlin Lever Quick Takedown Screw in accordance with local regulations regarding metal

waste.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Marlin Lever Quick Takedown Screw, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for support resources.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and ease of use that the Marlin Lever Quick Takedown Screw provides for your Marlin 44 Mag Lever action firearm.
