

Marlin Lever Quick Takedown Screw 45 70 Govt - Marlin 45-70 Lever Takedown Screw (black)

[Shooting Accessories](#)

Oversized Marlin Lever-Action Quick-Take Down Screw

These robust, chromoly steel quick-take down screws allow for fast and easy lever removal, making thorough cleaning a breeze. They also enable quick swaps from standard levers to larger loop levers, perfect for gloved hands or Cowboy Action Shooting.

Non-Slip Grip: Large diameter, six-point head ensures a secure hold during installation and removal.

Direct Replacement: Replaces the factory lever screw without any modification.

Material: Made from durable 4140 chromoly steel with a black nitride coating.

Thread: Proprietary Marlin thread pitch .210-28.

Compatibility: Fits most Marlin lever-action rifles except the Marlin 39A.

Marlin Lever Quick Takedown Screw Safety Instruction Guide

Introduction

Thank you for choosing the Marlin Lever Quick Takedown Screw. This guide provides important safety information, installation instructions, and usage tips to ensure your product operates safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of wear or damage.
- Do not use the product if it appears damaged or malfunctioning.
- Always follow local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Use protective eyewear when installing or removing the takedown screw to prevent injury from flying debris.
- Ensure that the firearm is unloaded before installing or removing the takedown screw.
- Avoid using excessive force during installation or removal to prevent damage to the screw or firearm.
- Do not modify the takedown screw in any way, as this may compromise safety and functionality.
- If you experience difficulty during installation or removal, consult a qualified gunsmith for assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Gather necessary tools: a sixpoint socket or wrench that fits the screw's head.

2. Installation:

- Locate the factory lever screw on your Marlin leveraction rifle.
- Using the sixpoint socket or wrench, carefully remove the factory screw.
- Align the Marlin Lever Quick Takedown Screw with the threaded hole.
- Handtighten the screw to ensure proper alignment, then use the socket or wrench to securely tighten it. Avoid overtightening.

3. Usage:

- To remove the lever, simply unscrew the takedown screw using the same socket or wrench.
- For cleaning or maintenance, follow your firearm's manual on proper disassembly and reassembly procedures.

4. PostInstallation Check:

- After installation, check that the lever is securely attached and operates smoothly.
- Perform a function check to ensure the firearm operates correctly before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding the Marlin Lever Quick Takedown Screw, please refer to the manufacturer's website or customer service for assistance.

Conclusion

Following these safety guidelines and instructions will help ensure the safe and effective use of your Marlin Lever Quick Takedown Screw. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety measures.
