# Henry Rifle Hammer Spur Extension Safety Instructions

## Introduction

Thank you for choosing the Henry Rifle Hammer Spur Extension. This product is designed to enhance your shooting experience by providing improved hammer control and ergonomic handling for both left and righthanded shooters. This guide provides important safety information to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the hammer spur extension.
- Inspect the hammer spur extension for any damage before use. Do not use if damaged.
- Keep the hammer spur extension and all firearms out of reach of children and unauthorized users.
- Always follow the manufacturer's instructions for your specific firearm model.
- Use the hammer spur extension only with compatible Henry leveraction rifles as specified in the product description.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and clean when handling the hammer spur extension to prevent slippage.
- Avoid using the hammer spur extension in adverse weather conditions that may affect your grip or control.
- Do not modify the hammer spur extension in any way. Alterations can compromise safety and performance.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that your shooting area is secure and safe for all participants.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing hammer spur if applicable.
- Align the hammer spur extension with the hammer of the rifle.
- Securely fasten the extension using the provided mounting hardware, ensuring it is tightly in place.
- Check that the hammer spur extension is firmly attached before use.

### 2. Usage:

- Grip the hammer spur extension firmly with your thumb when cocking the hammer.
- Practice using the hammer spur extension with your rifle unloaded to become familiar with its operation.
- During live use, maintain a proper shooting stance and focus on your target.

## Disposal Instructions

- Dispose of the hammer spur extension in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent injury to others.
