Introduction

Thank you for choosing the Rossi 92 Heritage Citadel Levtac MLOK Stock Set. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all components are compatible with your Rossi 92, Heritage, or Citadel Levtac rifle.
- Always handle firearms and their accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before installation or use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility:** This stock set is designed for specific models. It does not fit 454 Casull models or rifles with Octagonal Barrels. Verify compatibility before installation.
- **Installation:** Follow the installation instructions carefully to avoid any hazards. Improper installation may lead to accidents or product failure.
- **Handling:** Use the stock set only in a manner consistent with the manufacturer's guidelines. Avoid using the product in ways that could compromise safety.
- **Weight Consideration:** The adjustable buttstock is lightweight (22 oz). Ensure that the overall weight of your rifle is manageable for your strength and handling capabilities.
- **Sling Swivels:** Utilize the 24 MLOK slots and 4 flush cup holes for sling swivels carefully to ensure secure attachment and prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all components included in the package: MLOK Handguard, barrel band, screws, and adjustable buttstock.
- Gather necessary tools for installation, such as a screwdriver.

2. Installation Steps:

- **MLOK Handguard:**
 - Remove the existing handguard from your rifle.
 - Attach the MLOK handguard by aligning it with the barrel and securing it using the provided screws and barrel band.
 - Ensure that the handguard is firmly attached and does not move.
- **Adjustable Buttstock:**
 - Remove the existing buttstock from your rifle.
 - Attach the adjustable buttstock by aligning it with the rifle's buffer tube.

- Adjust the cheek riser and buttstock to your preferred settings using the four adjustment points.
- Ensure that the buttstock is securely fastened and stable.

3. Final Checks:

- After installation, check all connections and ensure that there are no loose parts.
- Perform a function check on your rifle to ensure proper operation.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product is no longer in use, consider recycling components where possible.
- Do not discard the product in regular waste. Follow local electronic waste disposal guidelines.
