# Safety Instruction Guide for Marlin 1894 .357 Mag Tube Cap Rocket Pod

## Introduction

Thank you for choosing the Marlin 1894 .357 Mag Tube Cap Rocket Pod. This product is designed for use with Marlin leveraction rifles, specifically those models that do not feature a barrel band. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure the rifle is unloaded before installing or removing the tube cap.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Use the product only for its intended purpose as specified by the manufacturer.
- Be aware of your surroundings when handling firearms and accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Marlin leveraction rifle before using this product.
- Do not attempt to install or remove the tube cap while the rifle is loaded.
- Use a coin or a flat tool as recommended for installation; avoid using excessive force.
- If you experience resistance while installing or removing the tube cap, stop immediately and inspect for any obstructions.
- Avoid using the product in extreme conditions that may affect its performance, such as extreme temperatures or moisture.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is completely unloaded.
- Gather the necessary tools: a coin or flat tool.

### 2. Installation:

- Locate the tube cap on your Marlin 1894 rifle.
- Use the coin or flat tool to gently twist and secure the tube cap in place.
- Ensure the cap is snug but do not overtighten.

### 3. Removal:

- To remove the tube cap, use the coin or flat tool to turn counterclockwise.
- If you encounter any resistance, check for dirt or debris that may be obstructing the cap.

### 4. PostInstallation Check:

- After installation, doublecheck that the tube cap is secure and that the rifle is functioning correctly.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer needed, consider returning it to the manufacturer for proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the Marlin 1894 .357 Mag Tube Cap Rocket Pod, please refer to the manufacturer's contact details provided on the packaging or user manual.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and care of your Marlin 1894 .357 Mag Tube Cap Rocket Pod.
