Marlin Lever Quick Takedown Screw Safety Instructions

Introduction

Thank you for choosing the Marlin Lever Quick Takedown Screw. This product is designed for easy cleaning and lever swaps on Marlin leveraction rifles. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is compatible with your Marlin leveraction rifle. This screw fits all Marlin leveraction rifles except the Model 39A.
- Always handle firearms and related components with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injuries.
- Regularly check for signs of wear or damage to the screw and its components.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Before installation or removal, ensure the firearm is unloaded and pointed in a safe direction.
- Use appropriate tools to install or remove the screw to avoid damaging the product or the firearm.
- Avoid overtightening the screw, as this may lead to damage or malfunction.
- Always use the included Oring to prevent unintentional loosening during use.
- If you experience difficulty during installation or removal, stop and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that your rifle is unloaded and in a safe working area.
- Gather necessary tools, including a screwdriver suitable for the large sixpoint screw head.

2. Installation

- Align the screw with the designated hole on the lever.
- Insert the screw and handtighten it gently to ensure proper alignment.
- Using the screwdriver, tighten the screw securely but do not overtighten.
- Check that the Oring is in place to prevent loosening.

3. Usage

- Regularly inspect the screw for any signs of wear or damage before each use.
- If the screw feels loose during operation, stop using the rifle and check the installation.

4. Removal

- To remove the screw, follow the reverse of the installation steps.
- Use the screwdriver to carefully unscrew the part, ensuring not to damage the surrounding components.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For safety inquiries or assistance regarding the Marlin Lever Quick Takedown Screw, please refer to the contact details provided with your product packaging or visit the manufacturer's website for more information.

Important Notice

Please be aware that if you encounter any unsafe products or accidents, you should report them to the appropriate authorities. Additionally, keep informed about any recall updates through the EU's Safety Gate platform.

Thank you for prioritizing safety in your use of the Marlin Lever Quick Takedown Screw. Enjoy your shooting experience responsibly!
