

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Ruger M77 - SA - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

Safety Instruction Guide for the LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). This guide provides essential safety instructions, installation guidelines, and disposal information to help you use this product safely and effectively.

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure the product is suitable for your specific firearm model (Ruger M77).
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose as described in this guide.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or removing the chassis.
- Use caution when handling sharp edges or components during installation.
- Verify that all components are securely fastened before use.
- Do not exceed the weight limits specified for accessories and attachments.
- When using the integrated ARCA rail, ensure that attachments are properly secured to prevent accidents.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Unpacking the Kit

- Carefully remove all components from the packaging.
- Check that all parts are included as per the manufacturer's specifications.

2. Installation Steps

- Ensure your Ruger M77 is unloaded and pointed in a safe direction.
- Remove the existing stock from your rifle.
- Attach the LSS Gen3 Chassis to the rifle's action, ensuring proper alignment.
- Securely fasten all screws and components as per the installation manual.
- Adjust the grip and stock to your preferred settings.

3. Usage Guidelines

- Familiarize yourself with the operation of the chassis and any accessories.
- Practice proper shooting techniques to ensure safety and accuracy.
- Regularly check the fitment and condition of the chassis and accessories.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible, especially metal parts.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the LSS Gen3 Kit SA MDT Chassis!
