

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Volquartsen - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Volquartsen - CCG](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015497
- Mfr. No.: 116076-CCG

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety information to ensure the safe use and installation of your chassis. It is important to read and understand these instructions before use.

General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards for nonfood products. Ensure proper use to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls. If a recall is issued, follow the instructions provided to ensure your safety.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety requirements. Verify product safety before completing your purchase.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact details provided in the product packaging.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to instability and potential injury.
 - Ensure all components are secure before use to avoid accidents.
- **Avoiding Hazards:**
 - Always inspect the chassis for damage before use.
 - Do not exceed the weight limits specified by the manufacturer.
 - Use only compatible accessories to ensure safety and performance.
- **Age Specific Warnings:**
 - This product is designed for adult users only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. **Preparation:** Ensure you have all necessary tools (two screws) and the chassis is clean and free of debris.
 2. **Dropping the Action:** Carefully place your action into the chassis.
 3. **Securing the Action:** Use the two screws to secure the action in place. Ensure they are tightened adequately but do not overtighten.
 4. **Final Check:** Inspect the installation to confirm all components are secure and properly aligned.
- **Usage:**
 - Ensure the chassis is properly balanced before taking any shots.
 - Adjust the ergonomics (cheek weld, hand position, length of pull) to fit your preferences for optimal comfort and control.
 - Regularly check the stability of the chassis during use to ensure safety.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, contact local waste management services for guidance on proper disposal methods.
- Ensure all components are removed and disposed of safely to prevent environmental harm.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the contact information provided in the product packaging.

Thank you for your attention to these safety guidelines. Enjoy your ACC Premier Gen 2 Folding System MDT Chassis responsibly!
