

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - LA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions and usage information to ensure the safe operation and maintenance of your product. Please read this guide carefully before using the chassis to maximize your safety and performance.

General Safety Guidelines

- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Ensure that the chassis is compatible with your specific firearm model (Tikka T3X).
- Always follow local laws and regulations regarding firearm usage and modifications.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow the manufacturer's instructions for installation and usage to prevent accidents.

Specific Safety Precautions for Use

- Ensure the rifle is unloaded before installing or adjusting the chassis.
- Use the chassis only with the recommended accessories to avoid compromising safety.
- When using the chassis, maintain a proper shooting stance and grip to enhance stability.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the chassis in wet or slippery conditions to prevent accidents.
- If you experience any malfunctions or issues with the chassis, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation Steps

1. Prepare Your Workspace:

- Ensure you have a clean, flat surface to work on.
- Gather necessary tools, including a screwdriver for securing screws.

2. Remove the Action:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the action from your rifle according to the manufacturer's instructions.

3. Install the Chassis:

- Place the action into the ACC Premier Gen 2 Folding System MDT Chassis.
- Align the action with the chassis bedding system.

4. Secure the Action:

- Use the provided screws to secure the action to the chassis.
- Tighten screws evenly to ensure a secure fit without overtightening.

5. Adjust Ergonomics:

- Adjust the cheek weld, hand position, and length of pull to fit your preferences.

6. Final Inspection:

- Check that all components are securely fastened and that there is no movement.
- Perform a final safety check before using the chassis.

Usage Guidelines

- Always use the chassis in accordance with proper shooting practices.
- Regularly check the stability and integrity of the chassis during use.
- Finetune the weight system as needed for optimal balance and control.
- Follow all safety protocols when transporting the chassis and firearm.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, ensure it is rendered unusable before disposal.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's website or contact their customer service directly. It is important to have access to support for any questions or concerns regarding your ACC Premier Gen 2 Folding System MDT Chassis.

Conclusion

By following these safety instructions and guidelines, you will enhance your experience with the ACC Premier Gen 2 Folding System MDT Chassis. Always prioritize safety and responsible usage to ensure a positive experience in your shooting activities. Thank you for choosing our product, and we wish you safe and enjoyable shooting experiences.
