

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Remington 700 - LA - CIP - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

ACC Premier Gen 2 Folding System MDT Chassis Safety Instructions

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Remington 700 rifle. This safety instruction guide is designed to ensure the safe and effective use of your chassis. Please read and understand all safety guidelines, installation instructions, and usage precautions before operating your product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Store the chassis in a secure location when not in use.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the rifle is unloaded before installing or adjusting the chassis.
- Avoid using the chassis in wet or damp conditions to prevent corrosion.
- Do not modify the chassis in any way that may compromise its structural integrity.
- Ensure that all screws and fittings are properly tightened before use.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 by unscrewing the action.
- Place the action of the rifle into the ACC Premier Gen 2 Folding System MDT Chassis.
- Secure the action with the provided screws, ensuring they are tightened firmly but not overtightened to avoid damage.
- Check that the chassis is securely attached before proceeding.

2. Usage

- Adjust the cheek weld, hand position, and length of pull to achieve a comfortable fit.
- Utilize the integrated barricade stop and ARCA rail for enhanced stability and versatility during shooting.
- Balance the rifle by adding weights as needed for optimal performance in competitive shooting.
- Regularly check the chassis for any signs of wear or loosening of screws during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and aluminum recycling.
- Ensure that all components are disassembled before disposal to facilitate recycling.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or assistance regarding the ACC Premier Gen 2 Folding System MDT Chassis, please contact the relevant EUbased support services or your local retailer.

By following these safety instructions, you will enhance your experience with the ACC Premier Gen 2 Folding System MDT Chassis while ensuring your safety and the safety of others. Thank you for prioritizing safety in your shooting practices.
