Safety Instruction Guide for MOSIN NAGANT Adjustable Trigger

Introduction

Thank you for choosing the MOSIN NAGANT Adjustable Trigger from Timney. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your trigger. By following these instructions, you can enhance your shooting experience while ensuring compliance with safety regulations.

General Safety Guidelines

- Ensure that you are familiar with the operation of your MosinNagant rifle before installing the trigger.
- Always treat all firearms as if they are loaded.
- Keep firearms and ammunition out of the reach of children and unauthorized users.
- Use eye and ear protection when shooting.
- Regularly inspect your firearm and trigger for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Trigger Safety:** The Timney trigger features a unique triggerblocking safety. Always ensure the safety is engaged when the firearm is not in use.
- **Pull Weight Adjustment:** The pull weight of the trigger is adjustable from 1.5 to 3 pounds. Ensure that the adjustment is done carefully to prevent accidental discharge.
- **Installation:** Follow the installation instructions precisely to avoid any malfunctions.
- **Testing:** After installation, test the trigger in a safe environment to ensure it functions correctly.
- **Vulnerable Groups:** This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the rifle is unloaded and the safety is engaged.
- Remove the old trigger according to the MosinNagant rifle's manual.
- Install the Timney trigger by following these steps:
 - Align the trigger with the trigger housing.
 - Secure the trigger using the provided screws.
 - Adjust the pull weight to your preference between 1.5 and 3 pounds.
- Ensure all parts are secure and functioning properly.

2. Usage:

- Once installed, conduct a function check:
 - Engage the safety and ensure the trigger does not move.
 - Disengage the safety and check the trigger pull weight.
- Use the trigger for shooting in a controlled environment, following all standard firearm safety practices.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Check with local authorities for proper disposal methods for firearms accessories.
