[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Timney is the market leader in replacement triggers for Springfield rifles. This trigger is factory calibrated and ready to shoot right out of the box, while still offering full adjustability for pull weight, sear engagement (creep), and overtravel to suit individual preferences.

Featuring a Timney-designed, proprietary trigger-blocking safety, the trigger remains completely immobile when engaged, ensuring safe and reliable operation. Designed to improve accuracy and trigger control, this upgrade installs easily with no gunsmithing required.

Whether used as delivered or fine-tuned for a custom feel, this trigger provides consistent, dependable performance and enhanced shooting confidence.

Compatibility: Springfield M1903 (Modified), production years 1941-1942
