

# GTS Mission Case - Stone Grey Olive

The GTS Mission Case is a waterproof hybrid rifle bag designed to protect and transport firearms in demanding environments. Built from the same high-durability welded material used across the GTS Mission Series, it offers uncompromising ruggedness and reliable weather resistance for professional users and sport shooters alike.

Fully waterproof and engineered for hard use, the Mission Case keeps your firearm protected from rain, snow, dust, and dirt during transport, whether you are heading to the range, traveling to a match, or operating in harsh outdoor conditions.

A defining feature of the Mission Case is its modular design and compatibility with the Dynamic Hook System, providing maximum flexibility and seamless integration with other Mission Series products. The interior includes tie-down loops that allow firearms and gear to be secured exactly where needed, while smooth, easy-to-clean surfaces and additional internal pouches keep accessories organized, protected, and always within reach.

For added security, the Mission Case features a lockable zipper closure that can be secured with a padlock, offering an extra layer of safety during storage and transport while remaining compliant with transport requirements. Tie-down loops on the rear of the case also allow it to be firmly fixed inside a vehicle or connected to a second Mission Case, enabling two cases to be carried together as one unit.

The result is a modern rifle transport solution that combines waterproof protection, modular versatility, and mission-ready durability - built to perform wherever conditions demand more.

Only the bag shown in the images is included in the delivery.

# GTS Mission Case Safety Instructions

## Introduction

Thank you for choosing the GTS Mission Case Stone Grey Olive. This waterproof hybrid rifle bag is designed to provide superior protection and transport for your firearms in various environments. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the GTS Mission Case is used according to the manufacturer's specifications.
- Regularly inspect the case for any signs of wear or damage before use.
- Ensure that all firearms and accessories are unloaded before placing them in the case.
- Keep the case out of reach of children and unauthorized users.
- Report any unsafe product incidents or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Waterproof Protection:** Ensure that the zippers are fully closed to maintain waterproof integrity.
- **Secure Firearms:** Use the tiedown loops to secure firearms and gear properly within the case.
- **Locking Mechanism:** Always use the lockable zipper closure with a padlock for added security during transport and storage.
- **Vehicle Transport:** When securing the case inside a vehicle, ensure that it is firmly fixed to prevent movement while driving.
- **Modular Use:** If connecting two Mission Cases, ensure that the tiedown loops are properly secured to avoid accidental separation.

## Instructions for Installation and Usage

### 1. Preparing the Case:

- Open the GTS Mission Case and lay it flat on a stable surface.
- Ensure the interior is clean and free from debris.

### 2. Loading Firearms and Gear:

- Place your unloaded firearm inside the case.
- Use the tiedown loops to secure the firearm in place.
- Organize additional accessories in the internal pouches, ensuring they are protected and accessible.

### 3. Securing the Case:

- Close the zippers completely.
- Lock the zipper with a padlock for added security.
- If transporting in a vehicle, use the tiedown loops on the rear of the case to secure it firmly.

### 4. Transporting the Case:

- Carry the case using the handles provided.
- Avoid placing heavy objects on top of the case during transport to prevent damage.

## **Disposal Instructions**

- Dispose of the GTS Mission Case in accordance with local regulations.
- If the case is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the case in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries or further support regarding the GTS Mission Case, please refer to the manufacturer's contact details provided with your product.

By following these safety instructions, you can ensure the safe use and longevity of your GTS Mission Case. Thank you for prioritizing safety and responsible firearm transport.
