

One-Piece Mount, 3" extended, 34mm, H20mm, 20MOA, lever

Versatile Compatibility: Ideal for both bolt-action rifles and AR-10 platforms.

Secure Mounting: Features adjustable steel QD (Quick Detach) safety levers compatible with all Picatinny and Weaver rails, including non-standard configurations.

Modular Design: Equipped with the ERATAC UNIVERSAL interface to easily accept add-ons like the Angle Cosine Indicator (SWK).

Battle-Proven Durability: Guaranteed 100% return-to-zero and recoil-proof performance, tested up to .50 BMG.

Premium Construction: CNC-machined entirely from high-strength aluminum alloy and finished with a robust Mil-Spec Type III hardcoat anodization.

Please Note: Firearms and accessories shown in product images are for illustrative purposes only and are not included. Due to the wide variety of product configurations, images may vary slightly in proportion from the exact model described.

ERATAC OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This guide provides essential safety instructions and information for the proper use and maintenance of your mount. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always check the mount for any visible signs of damage or wear before use.
- Keep the mount out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the mount.
- Use the mount only with compatible firearms, specifically boltaction rifles and AR10 platforms.
- Ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the manufacturer's recommended weight limits for accessories mounted on the product.
- Regularly inspect the adjustable steel QD levers to ensure they are functioning correctly and securely fastened.
- Avoid using the mount in extreme temperatures or weather conditions that could affect its performance.
- Do not modify the mount in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools for installation.
- Read the instructions thoroughly before beginning the installation process.

2. Installation Steps:

- Make sure the firearm is unloaded and pointed in a safe direction.
- Align the mount with the Picatinny or Weaver rail on your firearm.
- Securely attach the mount using the adjustable steel QD levers. Ensure that they click into place.
- Doublecheck that the mount is firmly attached and does not move.

3. Usage:

- Once installed, verify that the mount holds the optic securely in place.
- Before firing, perform a function check to ensure that the mount does not interfere with the operation of the firearm.
- After use, inspect the mount for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the mount in household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ERATAC OnePiece Mount, please refer to the manufacturer's website or contact their customer support.

This safety instruction guide is designed to help you use the ERATAC OnePiece Mount safely and effectively. Adhering to these guidelines will ensure a positive experience with your product. Thank you for your attention to these important safety measures.
