

Casefeed Adapter for Dillon XL650/XL750 (Black Rifle - 13541)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (Black Rifle - 13541)
- Manufacturer: ARMANOV
- Product no.: EU2018291
- Mfr. No.: CFAD1-BL
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Casefeed Adapter Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Casefeed Adapter for Dillon XL650/XL750. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of wear or damage before use.
- If you notice any defects or issues with the product, discontinue use immediately and consult a professional.
- Follow all local regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when operating the reloading press.
- Avoid wearing loose clothing or jewelry that could become caught in the machinery.
- Do not attempt to modify the adapter or use it in a manner not specified in this guide.
- Ensure that the reloading press is securely mounted and stable before use.
- Keep your work area clean and organized to prevent accidents.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure that your Dillon XL650 or XL750 reloading press is turned off and unplugged before installation.
2. **Remove Existing Adapter:** If applicable, carefully remove any existing casefeed adapter from the press.
3. **Align the Adapter:** Position the Armanov Casefeed Adapter in the correct orientation as per the factory dimensions.
4. **Secure the Adapter:** Follow the manufacturer's instructions to securely attach the adapter to the press, ensuring it is firmly in place.
5. **Check Alignment:** Verify that the adapter is aligned properly to avoid any feeding issues.

Usage Instructions

1. **Loading Cases:** Load brass cases into the casefeed adapter according to the manufacturer's guidelines.
2. **Start the Press:** Plug in and turn on your Dillon XL650 or XL750 reloading press.
3. **Monitor Operation:** Observe the operation of the casefeed adapter to ensure smooth feeding of brass cases into the press.
4. **Regular Checks:** Periodically check the adapter during use for any signs of binding or catching.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not incinerate or dispose of the adapter in a manner that could harm the environment.

Contact Information for Further Support

For safety inquiries, product support, or to report any unsafe conditions, please contact the appropriate local authorities or your point of purchase. Ensure you have the product details ready for a more efficient response.

By following these guidelines and instructions, you can ensure the safe and effective use of the Armanov Casefeed Adapter for Dillon XL650/XL750. Thank you for prioritizing safety in your reloading practices.
