

Casefeed Adapter for Dillon XL650/XL750 (Long Belted Mag Rifle / Black - 14394)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Safety Instruction Guide for Casefeed Adapter for Dillon XL650/XL750

Introduction

Thank you for purchasing the Casefeed Adapter for Dillon XL650/XL750. This product is designed to enhance your reloading experience by providing a reliable feeding system. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses, to protect your eyes while using the reloading press.
- Keep the reloading area clean and organized to prevent accidents.
- Ensure that the Casefeed Adapter is compatible with your Dillon XL650 or XL750 model before use.
- Store the adapter in a safe, dry place away from children and pets.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- Do not attempt to modify or repair the adapter yourself. Contact a professional if repairs are needed.
- Follow all manufacturer instructions for the Dillon XL650 and XL750 reloading presses.

Specific Safety Precautions for Use

- Ensure that the reloading press is turned off and unplugged before installing or removing the Casefeed Adapter.
- Do not overload the feeding system. Follow the manufacturer's guidelines for the maximum capacity.
- Avoid using the adapter with damaged or malformed brass cases to prevent jams and misfeeds.
- Do not leave the reloading press unattended while in operation.
- Be aware of your surroundings and avoid distractions while using the reloading press.

Instructions for Installation and Usage

1. Installation:

- Turn off and unplug the Dillon XL650 or XL750 reloading press.
- Remove any existing casefeed components from the press.
- Align the Casefeed Adapter with the mounting points on the press.
- Secure the adapter in place according to the manufacturer's installation instructions.
- Doublecheck that the adapter is firmly attached before proceeding.

2. Usage:

- Load brass cases into the Casefeed Adapter as per the manufacturer's recommendations.
- Ensure that the cases are seated properly to avoid misfeeds.
- Turn on the reloading press and monitor the feeding process for any irregularities.
- If a jam occurs, stop the press immediately and address the issue before continuing.

Disposal Instructions

- Dispose of the Casefeed Adapter responsibly when it reaches the end of its life.
- Check local regulations for proper disposal methods for plastic products.
- Do not dispose of the adapter in regular household waste. Recycle if possible.

Contact Information for Further Support

For any questions or concerns regarding the Casefeed Adapter, please consult the manufacturer's website or contact customer support for assistance.

By following these guidelines, you can ensure the safe and effective use of your Casefeed Adapter for Dillon XL650/XL750. Thank you for prioritizing safety in your reloading activities.
