

Casefeed Adapter for Dillon XL650/XL750 (Short Belted Mag / .45 - 70 Black - 14395)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (Short Belted Mag / .45 - 70 Black - 14395)
- Manufacturer: ARMANOV
- Product no.: EU2018293
- Mfr. No.: CFAD1-BL2
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for Casefeed Adapter for Dillon XL650/XL750

Introduction

Thank you for choosing the Casefeed Adapter for Dillon XL650/XL750. This highprecision component is designed to enhance your reloading experience by ensuring smooth and reliable feeding of brass into your reloading press. To ensure your safety and the proper use of this product, please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the adapter for wear and damage before each use.
- Do not attempt to modify or alter the product in any way.
- Always wear appropriate safety gear, such as eye protection, when using reloading equipment.
- In case of any malfunction or unusual operation, stop using the product immediately and consult a professional.

Specific Safety Precautions for Use

- Use the adapter only with Dillon XL650 and XL750 progressive reloading presses.
- Ensure that the adapter is securely installed before operating the reloading press.
- Avoid overloading the press to prevent strain on the adapter and other components.
- Do not use the adapter with incompatible calibers or components.
- Follow all manufacturer guidelines for the reloading process to ensure safety.

Instructions for Installation and Usage

Installation

1. **Unpack the Adapter:** Carefully remove the Casefeed Adapter from its packaging.
2. **Inspect the Product:** Check for any signs of damage or defects. If any issues are found, do not use the adapter.
3. **Install the Adapter:**
 - Locate the case feed area of your Dillon XL650 or XL750 press.
 - Align the adapter with the designated mounting points.
 - Securely attach the adapter using the provided fasteners, ensuring it is tightly fitted.
4. **Check Alignment:** Ensure that the adapter is properly aligned and does not obstruct any moving parts of the press.

Usage

1. **Load Brass:** Place your brass cases into the adapter, ensuring they are seated properly.
2. **Start the Press:** Begin operation of the Dillon XL650 or XL750 press according to the manufacturer's instructions.
3. **Monitor Operation:** Continuously observe the operation of the press to ensure smooth feeding of brass. If you notice any binding or catching, stop the press immediately and check the adapter.
4. **Regular Maintenance:** Clean the adapter regularly to prevent buildup of debris and ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for industrial waste.
- Do not dispose of the product in regular household waste.
- For any questions regarding disposal, consult local waste management authorities.

Contact Information for Further Support

For any inquiries or concerns regarding the Casefeed Adapter for Dillon XL650/XL750, please contact the manufacturer or your local distributor for assistance. Ensure you have the product details ready for a more efficient support process.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Casefeed Adapter for Dillon XL650/XL750. Thank you for prioritizing safety and compliance with these guidelines.
