

Casefeed Adapter for Dillon XL650/XL750 (Green - 13450)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (Green - 13450)
- Manufacturer: ARMANOV
- Product no.: EU2018295
- Mfr. No.: CFAD1-GR
- Colour: Green
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for Armanov Casefeed Adapter for Dillon XL650/XL750

Introduction

Thank you for choosing the Armanov Casefeed Adapter for your Dillon XL650 or XL750 progressive reloading press. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of wear or damage before use.
- Always follow the manufacturer's instructions and guidelines.
- In case of any malfunction or uncertainty, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Do not modify the Casefeed Adapter in any way. Alterations can lead to unsafe conditions.
- Ensure that the adapter is securely attached to the Dillon press before operating.
- Avoid exceeding the recommended load capacity of the adapter.
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating the reloading press.
- Be cautious of any moving parts during operation to prevent injury.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Dillon XL650 or XL750 press is turned off and unplugged.
- Remove any existing case feed components from the press.
- Align the Armanov Casefeed Adapter with the mounting points on the press.
- Securely attach the adapter using the provided fasteners, ensuring it is firmly in place.
- Doublecheck that the adapter is installed correctly before plugging in the press.

2. Usage:

- Once installed, plug in the Dillon press and turn it on.
- Load the brass cases into the case feed system as per the manufacturer's guidelines.
- Monitor the feeding process to ensure that cases are feeding smoothly without jamming.
- If a jam occurs, turn off the press immediately and safely clear the obstruction.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste.
- Consider recycling the product if possible, as it is made from PETG, which may be recyclable in some areas.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Armanov Casefeed Adapter, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for prioritizing safety while using the Armanov Casefeed Adapter. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
