

Casefeed Adapter for Dillon XL650/XL750 (.220 Swift / Modified Orange - 14851)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (.220 Swift / Modified Orange - 14851)
- Manufacturer: ARMANOV
- Product no.: EU2018299
- Mfr. No.: CFAD1-MOR1
- Colour: Red
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for Armanov Casefeed Adapter for Dillon XL650/XL750

Introduction

Thank you for choosing the Armanov Casefeed Adapter for Dillon XL650/XL750. This highprecision component is designed to enhance your reloading experience by ensuring smooth and reliable brass feeding. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure safe and effective use of the product.

General Safety Guidelines

To ensure the safe use of the Armanov Casefeed Adapter, please follow these general safety guidelines:

- Always read and understand the instructions before using the product.
- Ensure the product is compatible with your Dillon XL650 or XL750 reloading press.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for wear or damage before each use.
- Do not use the adapter if it shows any signs of damage or malfunction.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the Armanov Casefeed Adapter, please consider the following safety precautions:

- Use the adapter only for its intended purpose as specified in this guide.
- Ensure that the reloading press is turned off and unplugged during installation or maintenance.
- Wear appropriate safety gear, such as eye protection, when operating the reloading press.
- Avoid placing your hands or any body parts near moving parts during operation.
- Do not overload the reloading press beyond its specified capacity.
- Follow all safety instructions provided by the Dillon XL650 or XL750 manufacturer.

Instructions for Installation and Usage

To ensure proper installation and usage of the Armanov Casefeed Adapter, follow these steps:

1. Preparation:

- Gather all necessary tools and materials for installation.
- Ensure your Dillon XL650 or XL750 is clean and free from debris.

2. Installation Steps:

- Disconnect the reloading press from the power source.
- Remove the existing casefeed mechanism if applicable.
- Align the Armanov Casefeed Adapter with the mounting points on the Dillon XL650 or XL750.
- Secure the adapter in place using the provided screws or fasteners.
- Ensure that the adapter is firmly attached and does not wobble.

3. Usage Steps:

- Reconnect the reloading press to the power source.
- Load the brass cases into the casefeed adapter as per the manufacturer's instructions.
- Begin reloading while monitoring the operation of the adapter.

- If any issues arise, stop using the reloading press immediately and inspect the adapter.

Disposal Instructions

Proper disposal of the Armanov Casefeed Adapter is important for environmental safety. Follow these guidelines for disposal:

- Do not dispose of the product in regular household waste.
- Check for local recycling programs that accept plastic components.
- If the product is damaged and cannot be reused, contact your local waste management facility for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Armanov Casefeed Adapter, please consult the manufacturer's website or customer service resources for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
