

Casefeed Adapter for Dillon XL650/XL750 (.460 S&W - 11505)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (.460 S&W - 11505)
- Manufacturer: ARMANOV
- Product no.: EU2018301
- Mfr. No.: CFAD1-OR1
- Colour: Red
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Casefeed Adapter Safety Instructions

Introduction

Thank you for choosing the Casefeed Adapter for Dillon XL650/XL750. This product is designed to enhance your reloading experience by providing a reliable feeding system. To ensure safe usage and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product documentation.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling reloading equipment.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or if you suspect the product may be unsafe, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Do not exceed the recommended load specifications for your Dillon XL650 or XL750 press.
- Avoid using the adapter with incompatible or damaged components.
- Ensure that the adapter is securely installed before starting the reloading process.
- Do not attempt to modify or alter the adapter in any way.
- Maintain a clean and organized workspace to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Dillon XL650 or XL750 press is turned off and unplugged.
- Remove the original case feed mechanism from the press.
- Align the Casefeed Adapter with the mounting points on the press.
- Securely attach the adapter using the provided screws, ensuring it is firmly in place.
- Doublecheck the installation for any loose components before proceeding.

2. Usage:

- Load the brass cases into the adapter as per your reloading requirements.
- Start the reloading process by activating the press.
- Monitor the feeding of brass cases to ensure smooth operation.
- If you notice any jams or irregularities, stop the press immediately and address the issue before continuing.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding waste disposal.
- Do not throw the product in regular household waste; instead, take it to a designated recycling center if available.
- Ensure that the product is not harmful to the environment when disposing of it.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Casefeed Adapter, please refer to the manufacturer's website or contact their customer support service. Ensure that you have the product details ready for a more efficient response.

By following these safety instructions, you will help ensure a safe and effective reloading experience with your Casefeed Adapter for Dillon XL650/XL750. Thank you for prioritizing safety and compliance with EU General Product Safety Regulation.
