

Casefeed Adapter for Dillon XL650/XL750 (Purple / .40 S&W - 18076)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (Purple / .40 S&W - 18076)
- Manufacturer: ARMANOV
- Product no.: EU2018302
- Mfr. No.: CFAD1-PU
- Colour: Purple
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Casefeed Adapter for Dillon XL650/XL750 Safety Instructions

Introduction

Thank you for choosing the Casefeed Adapter for Dillon XL650/XL750. This highprecision component is designed to enhance your reloading experience. To ensure safe and effective usage, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is installed correctly before use.
- Regularly inspect the adapter for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended load specifications for the Dillon XL650 and XL750 presses.
- Ensure that all components are clean and free from obstructions before use.
- Avoid using the adapter with incompatible cartridges or calibers.
- Use protective eyewear when operating the reloading press.
- Do not attempt to modify or alter the adapter in any way.
- If you experience any malfunctions or issues, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the Casefeed Adapter from its packaging.
- Align the adapter with the designated slot on your Dillon XL650 or XL750 press.
- Gently insert the adapter until it fits snugly in place. Ensure there are no gaps.
- Doublecheck that the adapter is securely installed before proceeding.

2. Usage:

- Load the appropriate brass into the Casefeed Adapter.
- Start the reloading press according to the manufacturer's instructions.
- Monitor the feeding process to ensure smooth operation.
- If the brass does not feed correctly, stop the press and inspect the adapter for blockages or misalignment.

Disposal Instructions

- Dispose of the Casefeed Adapter in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for plastic components where available.

Contact Information for Further Support

For any questions or concerns regarding the Casefeed Adapter, please refer to the manufacturer's website or contact their support team for assistance.
