

Casefeed Adapter for Dillon XL650/XL750 (Red - 13143)

Restore or upgrade your feeding system with OEM precision. The Armanov Casefeed Adapter is a high-precision component custom-engineered for Dillon XL650 and XL750 progressive reloading presses.

Manufactured from heavy-duty, industrial-grade 3D-printed PETG, this adapter replicates the exact factory dimensions of the original Dillon Precision part. This ensures a seamless, drop-in integration and provides the consistent, rock-solid reliability you need to keep your brass feeding smoothly into the press without catching or binding.

Attributes

- Name: Casefeed Adapter for Dillon XL650/XL750 (Red - 13143)
- Manufacturer: ARMANOV
- Product no.: EU2018303
- Mfr. No.: CFAD1-RE
- Colour: Red
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for Casefeed Adapter for Dillon XL650/XL750

Introduction

Thank you for choosing the Casefeed Adapter for Dillon XL650/XL750. This product is designed to enhance your reloading experience by providing a reliable feeding system. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow all installation and usage instructions carefully to avoid hazards.
- Report any unsafe products or accidents to appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the Casefeed Adapter with Dillon XL650 and XL750 presses as intended.
- Ensure that the adapter is securely attached before operating the reloading press.
- Avoid wearing loose clothing or accessories that may become caught in the machinery.
- Do not attempt to modify or alter the adapter, as this may compromise safety and functionality.
- Always operate the reloading press in a wellventilated area to avoid inhalation of any dust or particles.

Instructions for Installation and Usage

1. Installation:

- Ensure the Dillon XL650 or XL750 press is powered off and unplugged.
- Remove any existing case feeding components from the press.
- Align the Casefeed Adapter with the mounting points on the press.
- Secure the adapter in place using the provided fasteners, ensuring a tight fit.
- Doublecheck that the adapter is properly installed before proceeding.

2. Usage:

- Load brass cases into the Casefeed Adapter according to the manufacturer's instructions.
- Turn on the Dillon press and monitor the feeding process for smooth operation.
- If cases become jammed or stuck, stop the operation immediately and resolve the issue before continuing.
- Regularly check the adapter for any signs of wear or malfunction during use.

Disposal Instructions

- Dispose of the Casefeed Adapter in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options for PETG materials.
- Ensure that all components are securely disposed of to prevent hazards to the environment and wildlife.

Contact Information for Further Support

For any questions or concerns regarding the Casefeed Adapter, please refer to the manufacturer's website or contact your local distributor for support.
